Subject: Boys Registration Incentive 2023

Please note that the Softball BC Board of Directors have passed a motion to continue the incentive for the registration of Boys teams.

Following the success in the initial roll out during the 2022 season, associations that register at least one Boys team in 2023 will receive a 5% discount on all registration fees, exclusive of insurance assessments.

The goal of this incentive is to encourage the formation of Boys teams at any age group and to increase opportunities for Boys teams to play together. Our Boys Fast Pitch Work Group will be supporting this initiative and will work with our Minor Coordinators and Member Associations to create options for Boys games and events throughout the upcoming season.

This discount will be automatically calculated by Softball BC and will appear on your association's registration invoice.

Should you have any questions or require further information regarding this notice please contact your District Coordinator.
