

Lisa Hayton

2012 Inductee - Athlete

Ms. Lisa Hayton's journey to the Hall of Fame began at age six, and excellence came naturally. Lisa showed effortless talent in the circle, helping lead her team, the Ingraham Breakers to multiple titles. Lisa's riseball, dropball and changeup proved to be a challenge for hitters to face.

Lisa's incredible talent is only matched by her passion for the sport and volunteerism for the game. In 2016, Lisa began the season in her usual role of coaching for a local Junior B team in View Royal. Noticing a gap, Lisa also became the coach of 2 LTP teams, alongside a U10 team struggling to find a coach. The tendency to step up when needed was not limited to coaching but also in taking the field as a player once again.

Lisa would once again take the field pitching her team to an impressive fourth place finish, still giving hitters an impressive and frustrating challenge.
