FAR-INFRARED Hygiene Mask

Your face mask is made with smart yarn. Woven into the yarn is ceramic crystals that need proper care. After wearing your mask for the day, remove without touching the outside of the item (where germs and viruses may exist). Fold your mask inward, to trap dirt and potential hazards and wash by hand under warm to hot water. No soap is needed. Hang to dry.
 COLORS: Black, White, Pink, Light Blue
 *Fully Rewashable – polyamide fibre is extra soft, durable, & easy to clean, Made with Advanced Polyamide Yarn that provides bioceramic & mineral element built directly into the yarn, which can provide far-infrared benefits to the wearer, Advanced 6.6 polyamide with technological benefits built directly into the fabric. Oekotex certification, meaning the yarn is free of any chemical treatments and is guaranteed to be non-allergenic in contact with the skin
