Last night in a meeting of the Western Canadian Softball Association (WCSA) a vote was held and passed, on cancelling the 2020 Western Canadian Championships.

The committee decided they would keep the rotation that had been set for this year for 2021, meaning Softball BC will still be hosting the U14 boys and girls Western in 2021.

Any team that has submitted a Letter of Intent for a Western will be contacted next week to arrange for the return of the cheques submitted with the Letter.

Please see the press release for full details.
