# President's Message

On behalf of the Softball BC Board of Directors, welcome to the 2023 softball season! I am pleased to now officially be in the role of President, having taken over the position at the AGM in October of last year. Lots has happened since I wrote my Acting President's message last year, all of it pointing to a bright future!

Our Board has a great blend of new and returning faces, with Lavaughn Larson, Rachel Charles, Susan Stafford and Scott Wheatley retaining their Board positions and providing much-needed continuity, and Kevin Langley, Al Groff and Chad Bryden joining the Board to bring some fresh ideas and perspectives. We are off to a great start and I am so excited to work with all of these folks and our talented and dedicated staff group for the next couple of years!

We have had many successes on and off the field over the past year. Our teams won 6 medals (3 gold) at the women's and girls' U19, U17 and U15 Canadian Championships, sweeping the podium at the U17's. BC also won 4 medals (2 gold) at the women's and girls' U19 and U17 Western Canadian Championships, and our women's Team BC won the Canada Summer Games in Niagara Falls. On the boys side we also sent a team to Canada Summer Games, and we held a successful Provincial Championships in Merritt. In adult fastball, we held a number of successful women's Provincials, and an 18-team men's Provincials, which is unprecedented in recent times. We continue to grow our slo-pitch membership, and our teams took gold at the women's, and silver at the men's Slo Pitch Canadian Championships. In addition to the growth we've seen in the men's and slo-pitch numbers, we are also seeing significant growth at the youngest ages of our game. Our U7 and U9 divisions have doubled from pre-Covid 2019 numbers, our U11 numbers are up over 25% in the same period, and our boys registrations have increased by about 50% since 2019. In addition, we have a number of new associations in smaller areas of the Province that have either joined or are looking to join Softball BC – welcome, we are thrilled to have you with us!

Looking forward, in addition to our usual Provincial Championships and our share of Western Canadian Championships, this year BC is hosting the Men's and Masters Canadian Championships and the U19 Women's Canadian Championships – terrific opportunities to see some of the best ball in our nation played right in our backyard.

Writing this message in the middle of March is timely for me, as just yesterday I went out to my local ballpark in Langford to watch four local teams playing some of the first exhibition games of the season. Seeing the players, the coaches, the umpires, the fans, all with smiles on their faces and so excited to be back on the field was a great reminder to me of why we all love and support this game the way we do.

Have a great season,

**Lisa Parkes**, President

## BEST PRACTICES:

<sup>1</sup> Number of players on the field could depend on several factors. Teams may choose not to have a player in the catching position or in the outfield. Instead, extra players can be on the side lines participating in one or two skill stations while their team is on defense. Teams may also choose to have extra players on the side lines practicing pitching with a parent or coach while their team is on defense. Coaches with larger teams are encouraged to find creative ways to engage their players in additional skill practice instead of placing additional players in the outfield at this level.

<sup>2</sup> Coaches should try to ensure that every player sits out one inning before any player sits out two innings.

## CLARIFICATIONS:

<sup>3</sup> For example: A player cannot get a homerun on a bunt. If a batter bunts a ball and an overthrow occurs at first, the batter may try to advance to second at their own risk. If there is then an overthrow at second base, the batter-runner may try to advance to third base at their own risk. If there is a subsequent overthrow at third base, the batter-runner will hold at third base.
