## **WELCOME TO BRANDON**

The City of Brandon's population in the 2021 Census was 51,313, just over a 5% increase from 2016. Brandon's growth has kept pace with the fastest-growing cities in Canada. It demonstrates the opportunities for individuals, families, and businesses to grow and succeed.

Brandon is known as the Wheat City and is home to Brandon University, Assiniboine College, and a federal agricultural research station. It is also home to excellent cultural facilities, programs, and events, including the Art Gallery of Southwestern Manitoba, the Commonwealth Air Training Museum, the Westman Multicultural Festival, and the Dakota Nation Winterfest.

The Provincial Exhibition of Manitoba is a Brandon-based non-profit organization established in 1872. It hosts the Royal Manitoba Winter Fair each March, one of only two fairs in Canada to receive royal designation from Queen Elizabeth II. The Provincial Exhibition also hosts the Manitoba Summer Fair in June and the Manitoba Livestock Expo in late October. In addition, Canada's largest indoor agriculture trade show and program, the Manitoba Ag Days, is held mid-January each year at Brandon's Keystone Centre.

The Keystone Centre is a 540,000-square-foot multi-event venue with three full-size hockey rinks, including Westoba Place, home of the Western Hockey League's Brandon Wheat Kings. It also includes an eight-sheet curling rink and ample convention space that allows it to host conferences and events year-round.

### **A Great Host City**

Brandon has a long history of hosting successful sports events that stretches back decades. Events returning to Brandon include the Canada Games (1979, 1997), Curling Canada events (The Brier in 1963, 1982, and 2019, The Scotties in 1993 and 2002, the 1995 Ford World Curling Championship, and the 1997 Olympic trials). In 2010, Brandon hosted the Memorial Cup. In 2016, it hosted U Sports Volleyball National Championships, which will return in 2025. In addition, it hosted the Legion National Youth Track and Field (2017, 2018).

### **Softball History**

Brandon has a long history of hosting Softball events. Still, the 2023 Softball Canada U15 Girls' Championship was the first Canadian Championship held in Brandon since 2000. The Ashley Neufeld Softball Complex opened in 2017 and added lights to its main diamond in the spring of 2022. It has quickly built a reputation as the premier softball facility in Manitoba. In addition to hosting the 2023 Softball Canada U15 Girls Championship, it was also the host venue for the 2017 Western Canadian U16 Championship.

## Westman Magic

The Westman Magic is the host team for the 2024 event. The Magic program is one of eight AAA programs under Softball Manitoba and, geographically, draws players from Brandon and a surrounding area of approximately 200 kilometres.

## **ACCOMMODATIONS**

There are blocks of rooms secured by the Host Committee at a variety of hotels available to accommodate teams for the 2024 Western Canadian U13 Championship. A list of the hotels where rooms have been secured is on the next page (Page 6)

To book your rooms, please reach out to our accommodations coordinator Sara Girard at [sara@brandonfirst.com](mailto:sara@brandonfirst.com) or 204-596-4653.

The Host Committee received an event hosting grant from the City of Brandon's Accommodation Tax Grant program in order to host the event. As such, it is vital we are able to track the number of hotel rooms that are booked for the event.

# ASHLEY NEUFELD SOFTBALL COMPLEX

The Ashley Neufeld Softball Complex is located at 805 Parker Boulevard in Brandon. The Complex recently hosted the 2023 Softball Canada U15 Girls Championship, and has hosted provincial, regional, and western tournaments in its brief history. We are proud to call it the premiere softball facility in Manitoba.

Ashley Neufeld was a talented local softball star who tragically lost her life on November 1, 2009, when the vehicle she and two teammates were riding in became submerged in a pond in North Dakota where she had been attending college and playing ball. Thanks to local support in her memory, the Ashley Neufeld Softball Complex opened in 2017. It was named to celebrate her life and her passion for softball.

## **Ashley Neufeld Softball Complex Park Policies**

1. **No outside food, beverages, or storage coolers/cooler bags** can be brought into the Ashley Neufeld Softball Complex aside from one cooler per coach (for their team) and one sealed bottled water or sports drink per player or spectator. Coaches must identify themselves and show a pass to allow the coolers in.
2. If someone has a dietary or allergy condition, please tell them to identify themselves at the gate, and we would be happy to accommodate them.
3. **No outside alcohol is allowed** in the Ashley Neufeld Softball Complex. If someone with outside alcohol is identified, they will be immediately asked to leave the Ashley Neufeld Softball Complex.
4. The law prohibits drinking alcohol in our parking lot. Any person(s) observed drinking alcohol in the parking lot will be asked to leave and reported to local police.
5. People/Teams can picnic in the parking lot if they clean up after themselves and do not consume alcohol. Drinking in the parking lot will result in immediate expulsion from the Ashley Neufeld Softball Complex.
6. **No campers, RVs, buses or other large vehicles are allowed** in the Ashley Neufeld Softball Complex parking lot.
7. Please put all garbage and recyclables in the bins throughout the Ashley Neufeld Softball Complex.
8. **No smoking of any kind is allowed in the park.** Anyone observed smoking will be asked to stop and, if they persist, will be asked to leave the park. Smoking includes cigarettes, marijuana, and vaping. Note: this is a City of Brandon bylaw.
9. **Pets are welcome to be with you on your visit to the Ashley Neufeld Softball Complex.** However, pets must always be on a leash during the visit. Pet owners are responsible for any cleanup of their pet's waste. Due to Health Department regulations, NO PETS are allowed up on the deck area in front of the concession.

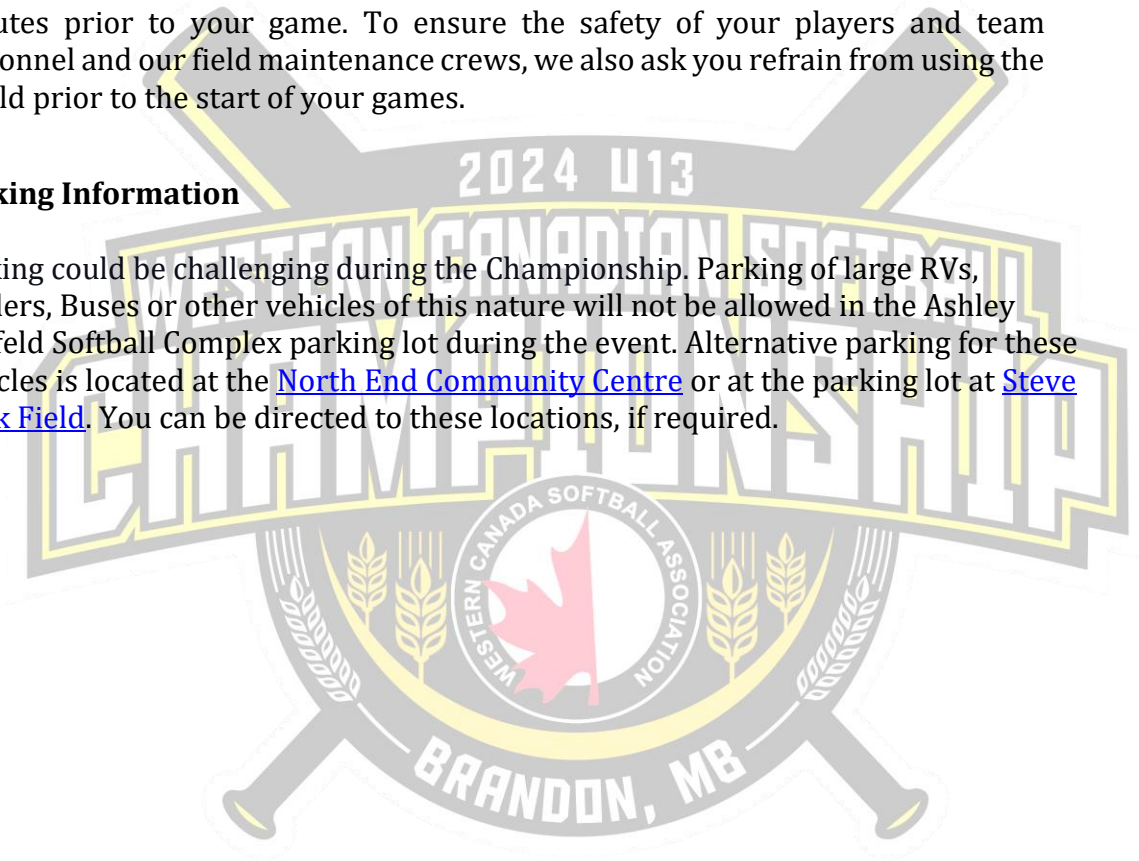

## Practice and Warm Up Diamonds

Practice and warm up availability will be available onsite on the Rotary Diamond and at the North End Community Centre diamonds, located approximately 0.5 kilometres (five-minute walk) West of the Ashley Neufeld Softball Complex. To book practice time, please contact ANSC Facility Manager Brett Turner at 204-573-9470 or [brett.turner@mymts.net](mailto:brett.turner@mymts.net).

A warmup schedule is being distributed to teams in a separate Excel spreadsheet and will be included in the packages provided to team representatives or coaches prior to or at the coaches' meeting. However, generally speaking, warm up will take place at an offsite diamond for a period of 90 to 30 minutes prior to your game time. Your team will not be allowed on the diamonds at ANSC until 30 minutes prior to your game. To ensure the safety of your players and team personnel and our field maintenance crews, we also ask you refrain from using the infield prior to the start of your games.

## Parking Information

Parking could be challenging during the Championship. Parking of large RVs, Trailers, Buses or other vehicles of this nature will not be allowed in the Ashley Neufeld Softball Complex parking lot during the event. Alternative parking for these vehicles is located at the [North End Community Centre](#) or at the parking lot at [Steve Clark Field](#). You can be directed to these locations, if required.
