For all Leagues, Clubs or Communities interested in Hosting a Community Softball Ongoing Participation Coach Clinic, please review the requirements below.

COMMUNITY SOFTBALL ONGOING PARTICIPATION

This clinic will give coaches all the tools they need to hit the field with confidence as a community softball coach. Over the course of 8 hours, this in-class (4 hrs) and in-gym/on-field (4 hrs) clinic will help coaches:

- Understand the needs of the players you are coaching (typically ages 10-19)
- Plan effective practices and lead your team in safe, age-appropriate activities
- To properly teach fundamental softball skills (throwing/receiving, fielding, hitting, bunting, baserunning, sliding, and pitching) and position-specific skills
- Apply an ethical decision-making process to situations that may arise during your season
- Prepare your team for game situations using basic defensive and offensive strategies with an understanding of the rules of the game

This clinic is mandatory for all Head Coaches attending one of the following Provincial Championships:
