Requirement for the Head Coach & Assistant Coaches of a team attending a U15, U17, and U19 AAA Minor Provincial Championship leading to a Western Canadian or a Canadian Championship are required to follow Softball Canada's Coaching Certification Requirements as follows:

- Managers and Coaches are eligible to participate in Canadian Championships under the following provisions:
 - They are signed to the current Softball Canada or Provincial/Territorial Team Registration Certificate of their team.
 - The **Head Coach is Competition Introduction: Certified** in the National Coaching Certification Program and is in attendance at all games and on the team's bench. All **Assistant Coaches are Competition Introduction: Trained**.
 - If the Head Coach is **not fully Certified** and in attendance at all games and on the team's bench, then all coaching staff **will not be allowed on the field or in the coaches' box** at a Canadian Championship.
 - If the Head Coach is **Certified and in attendance at all games** and on the team's bench then the coaching staff (coach, assistant coaches, and manager) **may go on the field**. If an **Assistant Coach is not Trained**, they will **not be allowed on the field or in the coaches' box**.
 - A province/territory sending a team to a Canadian Championship without the Head Coach Competition - Introduction Certified will be fined \$2,500. (Two Thousand Five Hundred Dollars).
 - Managers and Coaches may not participate as players unless they are so registered.

- If, for any justifiable reason, the certified coach or manager registered with a team is unable to meet the coaching commitments necessary for the team to compete at any of the above-mentioned championships, the team may replace its certified coach with another certified coach who can meet all further coaching requirements. The pick-up coaches must be properly registered no later than June 22nd (June 30th north of the 53rd parallel) and approved for the Championship they are participating at least ten (10) days prior.
- The certified coach or manager substitute must be with the team in the dugout or on the field when it participates in a Provincial Championship. - The certified coach must be the coach that signs the line-up card at the pre-game meeting for all games.

Note: A team forfeiting its right to represent the Province in a WCSC/Canadian competition because it did not meet the above coaching requirements will be replaced as Provincial representative by the next highest team in the Provincial Championship standings, which did meet the coaching requirements.
