## ANNUAL AWARDS – FAST PITCH

Softball Manitoba annually presents awards to players, coaches, managers, administrators, executive members, umpires and builders for outstanding performance or contribution to the game of Softball.

Nominations for any award may be made by any member of Softball Manitoba and must be accompanied by detailed information on the nominee related specifically to the criteria for the award. All nominations will be reviewed by a Softball Manitoba Awards Committee, which will select a winner in each category. **All nominations must be submitted as only 1 person, player, coach and team per nomination form.**

The winner in each category (except for teams) will each receive a certificate of achievement and be invited to the Softball Manitoba Awards Presentation where the winners will be announced. The winners in each category will be suitably recognized by Softball Manitoba.

Nominees for any Softball Manitoba awards must have displayed a desirable attitude towards the game and its participants, officials and executives.

### **OUTSTANDING ADMINISTRATOR, BUILDER OR EXECUTIVE MEMBER - JIM ADAMS MEMORIAL AWARD**

#### **CRITERIA**

1. Nominees must have made an outstanding contribution to Softball as an administrator, builder or executive member for an extended period of time.

### **JIM ADAMS MEMORIAL AWARD**

This award recognizes the contributions that Jim Adams made to the game of softball as a builder, administrator, and executive member. He coached several championship teams in the Winnipeg Men's Industrial Fastball League and was the league president in the 1960s. He also became involved with Softball Manitoba at the executive level during that time and served as the Association's president from 1970 to 1975. His connection with Softball Canada goes back to its founding years in the mid-sixties. He served three terms as Manitoba commissioner for Softball Canada and was elected as a vice-president of the national organization in 1974. In 1977, Jim was honoured as Softball Manitoba's first life member. In 2002, he was the first builder inducted into the Manitoba Softball Hall of Fame. Jim passed away in 2005.

### **OUTSTANDING CONTRIBUTION OR PERFORMANCE IN THE SENIOR WOMEN'S CATEGORY - MO SIMCOFF MEMORIAL AWARD**

#### **CRITERIA**

1. Outstanding performance or contribution at the Senior Women's Level over an extended period of time
2. This award is open to players, coaches, managers, executive, umpires, builders or administrators.
3. This award is only presented when a deserving candidate is nominated.

### **MO SIMCOFF MEMORIAL AWARD**

This award recognizes Softball Manitoba's second Life Member, who received that high honour in 1980. Mo Simcoff served Softball in Manitoba as an umpire for over 30 years. He also sat on the Softball Manitoba executive for several years. Mo or "Rosie" as he was affectionately known to players and coaches from the minor to senior level throughout the province, had a particular love for Senior Women's Softball. In 1973, when the Association first conducted Senior Fast Pitch Elimination Tournament, it decided to name the championship trophy for women in honour of Mo. Mo himself then decided to recognize the tournament's most valuable player with a second award. Following his death in 1980, Softball Manitoba decided to continue with the tradition, but to recognize builders rather than athletes at the Senior Level. The criteria for this award has now been expanded to include players, coaches and umpires as well as persons working at the executive level.

He took on the presidency of the Association in April 1983 following the death of Bill Sadonick and served most capably until October of 1984 when he chose to step down from that position.
