

## STATEMENT ON SAFE SPORT

Softball New Brunswick Inc. has a fundamental obligation and responsibility to protect the health, safety and physical and mental well-being of every individual that is involved in our softball community.

Softball New Brunswick Inc. takes any situation involving misconduct or maltreatment very seriously. For this reason, Softball New Brunswick Inc. is committed to enacting and enforcing strong, clear, and effective policies and processes for preventing and addressing all forms of misconduct or maltreatment.

The policies are intended to promote a Safe Sport environment in a manner that allows for consistent, immediate, appropriate, and meaningful action should any issues arise. The policies are also intended to prevent issues from arising in the first place by communicating expected standards of behaviour.

Should any individuals involved with Softball New Brunswick Inc., including but not limited to Athletes, coaches, officials, volunteers, and parents/guardians of Athletes, wish to report any instance of misconduct or maltreatment, they may do so directly to Softball New Brunswick Inc., which will then determine the appropriate forum and manner to address the complaint.

Softball New Brunswick Inc. also recognizes the recent development of the Universal Code of Conduct to Prevent and Address Maltreatment in Sport (UCCMS). Although only federally-funded sport organizations are *required* to integrate the UCCMS into their policies, Softball New Brunswick Inc. recognizes the benefits of aligning its policies with the National standard.

## DEFINITIONS – CONDUCT

*The terms defined below apply to all policies included in this Safe Sport Manual*

\* Indicates a definition adapted from the UCCMS

1. **Abuse** – Includes Psychological Maltreatment, Physical Maltreatment, Neglect, and/or Grooming of Vulnerable Participants by Persons in Authority and which can have the following warning signs:
  - a) Recurrent unexplained injuries
  - b) Alert behaviour; child seems to always be expecting something bad to happen
  - c) Often wears clothing that covers up their skin, even in warm weather
  - d) Child startles easily, shies away from touch or shows other skittish behaviour
  - e) Constantly seems fearful or anxious about doing something wrong
  - f) Withdrawn from peers and adults
  - g) Behaviour fluctuates between extremes (e.g., extremely cooperative or extremely demanding)
  - h) Acting either inappropriately beyond their age (like an adult; taking care of other children) or inappropriately younger than their age (like an infant; throwing tantrums)
  - i) Acting out in an inappropriate sexual way with toys or objects
  - j) New adult words for body parts and no obvious source
  - k) Self-harm (e.g., cutting, burning or other harmful activities)
  - l) Not wanting to be alone with a particular child or young person
2. **\*Consent** – *Consent* is defined in Canada’s *Criminal Code* as the voluntary agreement to engage in the sexual activity in question. The law focuses on what the person was actually thinking and feeling at the time of the sexual activity. Sexual touching is only lawful if the person affirmatively communicated their consent, whether through words or conduct. Silence or passivity does not equal consent. Sexual activity is only legal when both parties consent. The *Criminal Code* also says there is no consent when: Someone says or does something that shows they are not consenting to an activity; Someone says or does something to show they are not agreeing to continue an activity that has already started; Someone is incapable of consenting to the activity, because, for example, they are unconscious; The consent is a result of a someone abusing a position of trust, power or authority or someone consents on someone else’s behalf. A person cannot say they mistakenly believed a person was consenting if: that belief is based on their own intoxication; they were reckless about whether the person was consenting; they chose to ignore things that would tell them there was a lack of consent; or they didn’t take proper steps to check if there was consent. Sexual activity with a Minor is a criminal offence as is sexual activity with a person under the age of 18 years when the other person is in a position of trust or authority
3. **\*Disclosure** - The sharing of information by a Participant regarding an incident or a pattern of Maltreatment experienced by that Participant. Disclosure does not constitute a formal report that initiates a process of investigation to address the Maltreatment
4. **Discrimination** – Differential treatment of an individual based on one or more prohibited grounds which include race, citizenship, national or ethnic origin, colour, religion, age, sex, sexual orientation, gender identity or expression, marital status, family status, genetic characteristics, or disability
5. **\*Duty to Report**
  - a) **Concerns Under Child Protection Legislation:** A legal duty to report is mandated by law, and the requirement varies by province depending on provincial legislation. Everyone has a duty to report child abuse and neglect under Canadian child welfare laws. Professionals who work with children

and youth have an added responsibility to report. Adults are obliged to report child Maltreatment if there is knowledge or suspicion that it is occurring. This is called the “duty to report.” Every person in Canada has the duty to report known or suspected child Maltreatment by law. Known or suspected abuse or Neglect of a child must be reported to: local child welfare services (e.g., children’s aid society or child and family services agency), or provincial/territorial social service ministries or departments, or local police

- b) **Concerns Outside of Child Protection Legislation:** Participants have a duty to report concerns of inappropriate conduct of other Participants to uphold the ethical standards and values of Canadian sport. Reporting inappropriate conduct is important to ensure proper action is taken and expectations are re-established. By addressing inappropriate conduct, a collective responsibility to protect Participants from Maltreatment is enacted
6. **\*Grooming** – Deliberate conduct by a Participant to sexualize a relationship with a Minor that involves the gradual blurring of boundaries and normalization of inappropriate and sexually abusive behaviour. During the grooming process, the Participant will gain the trust of the Minor and protective adults and peers around the Minor often under the guise of an existing relationship. Manipulation tactics are then used to blur perceptions and gain further access to and private time with the Minor in order to abuse or exploit the Minor. Grooming can occur whether or not harm is intended or results from the behaviour. (Grooming is also a prohibited behaviour listed under the definition of Maltreatment)
7. **Harassment** – A course of vexatious comment or conduct against a Participant or group, which is known or ought reasonably to be known to be unwelcome. Types of behaviour that constitute Harassment include, but are not limited to:
- a) Written or verbal abuse, threats, or outbursts;
  - b) Persistent unwelcome remarks, jokes, comments, innuendo, or taunts;
  - c) Persistent unwelcome attempts to recruit an individual(s) that is registered with another team;
  - d) Racial harassment, which is racial slurs, jokes, name calling, or insulting behaviour or terminology that reinforces stereotypes or discounts abilities because of racial or ethnic origin;
  - e) Leering or other suggestive or obscene gestures;
  - f) Condescending or patronizing behaviour which is intended to undermine self-esteem, diminish performance or adversely affect working conditions;
  - g) Practical jokes which endanger a person’s safety, or may negatively affect performance;
  - h) **Hazing** – which is any form of conduct which exhibits any potentially humiliating, degrading, abusive, or dangerous activity expected of a junior-ranking individual by a more senior individual, which does not contribute to either individual’s positive development, but is required to be accepted as part of a team or group, regardless of the junior-ranking individual’s willingness to participate. This includes, but is not limited to, any activity, no matter how traditional or seemingly benign, that sets apart or alienates any teammate or group member based on class, number of years on the team or with the group, or ability;
  - i) Unwanted physical contact including, but not limited to, touching, petting, pinching, or kissing;
  - j) Deliberately excluding or socially isolating a person from a group or team;
  - k) Persistent sexual flirtations, advances, requests, or invitations;
  - l) Physical or sexual assault;
  - m) Contributing to a *poisoned sport environment*, which can include:
    - a. Locations where material that is discriminatory is displayed (e.g., sexually explicit posters and racial/racist cartoons)
    - b. Groups where harassing behaviour is part of the normal course of activities
    - c. Behaviour that causes embarrassment, awkwardness, endangers a person’s safety or negatively affects performance.

- n) Behaviours such as those described above that are not directed towards a specific person or group but have the same effect of creating a negative or hostile environment; and
  - o) Retaliation or threats of retaliation against a person who reports harassment to Softball New Brunswick Inc.
8. **\*Maltreatment** – Includes Maltreatment related to:
- a) *Psychological Maltreatment* – which includes, without limitation, verbal acts, non- assaultive physical acts and acts that deny attention or support
    - a. Verbal Acts - Verbally assaulting or attacking someone, including but not limited to: unwarranted personal criticisms; body shaming; derogatory comments related to one’s identity (e.g. race, gender identity or expression, ethnicity, Indigenous status, ability/disability); comments that are demeaning, humiliating, belittling, intimidating, insulting or threatening; the use of rumours or false statements about someone to diminish that person’s reputation; using confidential sport and non-sport information inappropriately. Verbal Maltreatment may also occur in online forms.
    - b. Non-assaultive Physical Acts (no physical contact) - Physically aggressive behaviours, including but not limited to: throwing objects at or in the presence of others without striking another; hitting, striking or punching objects in the presence of others
    - c. Acts that Deny Attention or Support - Acts of commission that deny attention, lack of support or isolation including but not limited to: ignoring psychological needs or socially isolating a person repeatedly or for an extended period of time; abandonment of an Athlete as punishment for poor performance; arbitrarily or unreasonably denying feedback, training opportunities, support or attention for extended periods of time and/or asking others to do the same
  - b) *Physical Maltreatment* – includes, without limitation, contact or non-contact behaviours that have the potential to cause physical harm
    - a. Contact behaviours - Including but not limited to: deliberately punching, kicking, beating, biting, striking, strangling or slapping another; deliberately hitting another with objects
    - b. Non-contact behaviours - Including but not limited to: isolating a person in a confined space; forcing a person to assume a painful stance or position for no athletic purpose (e.g., requiring an Athlete to kneel on a hard surface); the use of exercise for the purposes of punishment; withholding, recommending against, or denying adequate hydration, nutrition, medical attention or sleep; denying access to a toilet; providing alcohol to a Participant under the legal drinking age; providing illegal drugs or non-prescribed medications to a Participant; encouraging or knowingly permitting an Athlete to return to play prematurely following any injury or after a concussion and without the clearance of a medical professional; encouraging an Athlete to perform a skill for which they are known to not be developmentally ready
  - c) *Sexual Maltreatment* – includes, without limitation, any act targeting a person’s sexuality, gender identity or expression, that is committed, threatened or attempted against a person, and includes but is not limited to the Criminal Code Offences of sexual assault, sexual exploitation, sexual interference, invitation to sexual touching, indecent exposure, voyeurism and non-consensual distribution of sexual/intimate images. Sexual Maltreatment also includes sexual harassment and stalking, cyber harassment, and cyber stalking of a sexual nature. Examples include:
    - a. Any penetration of any part of a person’s body, however slight, with any object or body part by a person upon another person, including but not limited to:
      - i. vaginal penetration by a penis, object, tongue, or finger; and
      - ii. anal penetration by a penis, object, tongue, or finger

- b. Any intentional touching of a sexual nature of any part of a person's body, however slight, with any object or body part by a person upon another person, including but not limited to:
  - i. kissing;
  - ii. intentional touching of the breasts, buttocks, groin or genitals, whether clothed or unclothed, or intentionally touching of another with any of these body parts;
  - iii. any contact, no matter how slight, between the mouth of one person and the genitalia of another person, and
  - iv. making another touch themselves, the Participant, or someone else with or on any of the body parts listed in b).
  - v. any intentional touching in a sexualized manner of the relationship, context or situation
- c. In addition to the criminal acts identified above, the UCCMS prohibits sexual relations between an Athlete above the age of majority (depending upon jurisdiction) and a Participant who holds a position of trust and authority on the basis that there can be no Consent where there is a Power Imbalance. A Power Imbalance that is presumed to exist may be challenged
- d) *Neglect* – or acts of omission, includes without limitation: not providing an Athlete recovery time and/or treatment for a sport injury; not being aware of and not considering an individual's physical or intellectual disability; not considering supervision of an Athlete during travel, training or competition; not considering the welfare of the Athlete when prescribing dieting or other weight control methods (e.g., weigh-ins, caliper tests); disregarding the use of performance-enhancing drugs by an Athlete; failure to ensure safety of equipment or environment; allowing an Athlete to disregard sport's rules, regulations, and standards, subjecting Participants to the risk of Maltreatment
- e) *Grooming* – is often a slow, gradual and escalating process of building trust and comfort with a young person. Grooming includes, without limitation, the process of making inappropriate behaviour seem normal and gradually engaging in 'boundary violations' which have been professionally-identified to Canadian standards (e.g., a degrading remark, a sexual joke, sexualized physical contact; adult Participants sharing rooms with a Minor who is not an immediate family member; providing a massage or other purported therapeutic interventions with no specific training or expertise; private social media and text communications; sharing personal photographs; shared use of locker rooms; private meetings; private travel, and providing gifts. The Grooming process:
  - a. Grooming usually begins with subtle behaviours that do not appear to be inappropriate. Many victims/survivors of sexual abuse do not recognize the grooming process as it is happening, nor do they recognize that this process of manipulation is part of the overall abuse process.
  - b. In the grooming process, the offender begins by gaining trust of adults around the young person. The offender establishes a friendship and gains the young person's trust. Grooming then involves testing boundaries (e.g. telling sexual jokes, showing sexually explicit images, making sexual remarks). Typically, behaviour moves from non-sexual touching to "accidental" sexual touching
  - c. The young person is often manipulated into feeling responsible for the contact, is discouraged from telling anyone else about the relationship, and is made to feel obligated to protect the offender. The offender also builds trust with those close to the young person so that the relationship with the young person is not questioned
- f) *Interference with or Manipulation of Process* – it is considered maltreatment if an adult Participant directly or indirectly interferes with a process by:

- a. falsifying, distorting, or misrepresenting information, the resolution process, or an outcome;
  - b. destroying or concealing information;
  - c. attempting to discourage an individual's proper participation in or use of the processes of Softball New Brunswick Inc.;
  - d. harassing or intimidating (verbally or physically) any person involved in the processes before, during, and/or following any proceedings of Softball New Brunswick Inc.;
  - e. publicly disclosing a Participant's identifying information, without the Participant's agreement;
  - f. failing to comply with any temporary or provisional measure or other final sanction;
  - g. distributing or otherwise publicizing materials a Participant gains access to during an investigation or hearing, except as required by law or as expressly permitted; or
  - h. influencing or attempting to influence another person to interfere with or manipulate the process
  - i. Retaliation – which means that a Participant shall not take an adverse action against any person for making a good faith Report of possible Maltreatment or for participating in any process related to alleged conduct violations. Retaliation includes threatening, intimidating, harassing, coercing or any other conduct that would discourage a reasonable person from engaging or participating in the processes of Softball New Brunswick Inc. Retaliation after the conclusion of investigation and sanction processes is also prohibited. Retaliation may be present even where there is a finding that no Maltreatment occurred. Retaliation does not include good-faith actions lawfully pursued in response to a Report of possible Maltreatment
  - j. Aiding and Abetting – which is any act taken with the purpose of facilitating, promoting, or encouraging the commission of Maltreatment by a Participant. Aiding and Abetting also includes, without limitation, knowingly:
    - i. allowing any person who has been suspended or is otherwise ineligible to be in any way associated with sport or to coach or instruct Participants;
    - ii. providing any coaching-related advice or service to an Athlete who has been suspended or is otherwise ineligible; and
    - iii. allowing any person to violate the terms of their suspension or any other sanctions imposed
- g) *Reporting* – it is considered Maltreatment to fail to report Maltreatment of a Minor. A legal Duty to Report is mandated by law, and the requirement varies by province depending on provincial legislation.
- a. Failure to Report Maltreatment of a Minor
    - i. The obligation to Report requires the Reporting of any conduct which, if proven true, would constitute Psychological Maltreatment, Sexual Maltreatment, Physical Maltreatment or Neglect involving a Minor Participant. The obligation to Report is an ongoing one and is not satisfied simply by making an initial Report. The obligation includes Reporting, on a timely basis, all relevant information of which an adult Participant becomes aware
    - ii. The obligation to Report includes making a direct Report
    - iii. The obligation to Report includes personally identifying information of a potential Minor Complainant to the extent known at the time of the Report, as well as a duty to reasonably supplement the Report as to identifying information learned at a later time
    - iv. Participants should not investigate or attempt to evaluate the credibility or validity of allegations involving Psychological Maltreatment, Sexual Maltreatment, Physical

Maltreatment or Neglect. Participants making a good faith Report are not required to prove the Reports are true before Reporting

- b. Failure to Report Inappropriate Conduct
    - i. Not all inappropriate conduct may meet the threshold for constituting Maltreatment. However, such inappropriate conduct may represent behaviour with the risk of escalating to Maltreatment. Any Participant who suspects or becomes aware of another Participant's inappropriate conduct, even if it is not defined as Maltreatment, has a Duty to Report such inappropriate conduct through the organization's internal procedures. Those in positions of trust and authority who become aware of another's inappropriate conduct have a responsibility for reporting the concern within their organization's policies and procedures. The person making the report does not need to determine whether a violation took place: instead, the responsibility lies in reporting the objective behaviour.
  - c. Intentionally Filing a False Allegation
    - i. An allegation is false if the events Reported did not occur, and the person making the Report knows the events did not occur
    - ii. A false allegation is different from an unsubstantiated allegation; an unsubstantiated allegation means there is insufficient supporting evidence to determine whether an allegation is true or false. Absent demonstrable bad faith, an unsubstantiated allegation alone is not grounds for a violation
9. **\*Neglect** – Any pattern or a single serious incident of lack of reasonable care, inattention to a Participant's needs, nurturing or well-being, or omissions in care. Neglect is determined by the objective behaviour but the behaviour must be evaluated with consideration given to the Participant's needs and requirements, not whether harm is intended or results from the behaviour. (Neglect is also a prohibited behaviour listed under the definition of Maltreatment)
  10. **\*Physical Maltreatment** – Any pattern or a single serious incident of deliberate conduct that has the potential to be harmful to the physical well-being of the Participant. Physical Maltreatment includes, without limitation, contact or non-contact infliction of physical harm. Physical Maltreatment is determined by the objective behaviour, not whether harm is intended or results from the behaviour. (Physical Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)
  11. **\*Power Imbalance** – A Power Imbalance may exist where, based on the totality of the circumstances, a Participant has supervisory, evaluative, a duty of care, or other authority over another Participant. A Power Imbalance may also exist between an Athlete and other adults involved in sport in positions such as high-performance directors, sport specific health-care providers, sport science support staff, care or support persons, guides or pilots. Maltreatment occurs when this power is misused. Once a coach-Athlete relationship is established, a Power Imbalance is presumed to exist throughout the coach-Athlete relationship, regardless of age, and is presumed to continue for Minor Athletes after the coach-Athlete relationship terminates or until the Athlete reaches 25 years of age. A Power Imbalance may exist, but is not presumed, where an intimate relationship existed before the sport relationship commenced (e.g., a relationship between two spouses or life partners, or a sexual relationship between consenting adults that preceded the sport relationship).
  12. **\*Psychological Maltreatment** – Any pattern or a single serious incident of deliberate conduct that has the potential to be harmful to the psychological well-being of the Participant. Psychological Maltreatment includes, without limitation, verbal conduct, non-assaultive physical conduct, and conduct that denies attention or support. Psychological Maltreatment is determined by the objective behaviour, not whether harm is intended or results from the behaviour. (Psychological Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)

13. **\*Sexual Maltreatment**

- a) **Involving a Child:** Any form of adult/child sexualized interaction constitutes child sexual abuse. Sexual abuse of a child may occur through behaviours that do or do not involve actual physical contact. (Sexual Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)
- b) **Involving a person over the Age of Majority:** Any sexual act, whether physical or psychological in nature, that is committed, threatened, or attempted against a Participant without the Participant's Consent. It includes any act targeting a Participant's sexuality, gender identity or expression, that is committed, threatened or attempted against a Participant without that Participant's Consent, and includes but is not limited to, the Criminal Code Offences of sexual assault, sexual exploitation, sexual interference, invitation to sexual touching, indecent exposure, voyeurism and non-consensual distribution of sexual/intimate images. Sexual Maltreatment also includes sexual harassment and stalking, cyber harassment, and cyber stalking of a sexual nature. Sexual Maltreatment can take place through any form or means of communication (e.g. online, social media, verbal, written, visual, hazing, or through a third party). (Sexual Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)

14. **Workplace Harassment** – Vexatious comment or conduct against a worker in a Workplace that is known or ought reasonably to be known to be unwelcome. Workplace Harassment should not be confused with legitimate, reasonable management actions that are part of the normal work/training function, including measures to correct performance deficiencies, such as placing someone on a performance improvement plan, or imposing discipline for workplace infractions. Types of behaviour that constitute Workplace Harassment include, but are not limited to:

- a) Bullying;
- b) Workplace pranks, vandalism, bullying or hazing;
- c) Repeated offensive or intimidating phone calls or emails;
- d) Inappropriate sexual touching, advances, suggestions or requests;
- e) Displaying or circulating offensive pictures, photographs or materials in printed or electronic form;
- f) Psychological abuse;
- g) Excluding or ignoring someone, including persistent exclusion of a person from work-related social gatherings;
- h) Deliberately withholding information that would enable a person to do his or her job, perform or train;
- i) Sabotaging someone else's work or performance;
- j) Gossiping or spreading malicious rumours;
- k) Intimidating words or conduct (offensive jokes or innuendos); and
- l) Words or actions which are known, or ought reasonably to be known, as offensive, embarrassing, humiliating, or demeaning.

15. **Workplace Violence** – The use of or threat of physical force by a person against a worker in a Workplace that causes or could cause physical injury to the worker; an attempt to exercise physical force against a worker in a Workplace that could cause physical injury to the worker; or a statement or behaviour that it is reasonable for a worker to interpret as a threat to exercise physical force against the worker in a Workplace that could cause physical injury to the worker. Types of behaviour that constitute Workplace Violence include, but are not limited to:

- a) Verbal or written threats to attack;
- b) Sending to or leaving threatening notes or emails;
- c) Physically threatening behaviour such as shaking a fist at someone, finger pointing, destroying property, or throwing objects;

- d) Wielding a weapon in a Workplace;
- e) Hitting, pinching or unwanted touching which is not accidental;
- f) Dangerous or threatening horseplay;
- g) Physical restraint or confinement;
- h) Blatant or intentional disregard for the safety or wellbeing of others;
- i) Blocking normal movement or physical interference, with or without the use of equipment;
- j) Sexual assault; and
- k) Any attempt to engage in the type of conduct outlined above

Softball New Brunswick Inc. understands that it may not request to see a young person's youth record.

during the delay. Softball New Brunswick Inc. may withdraw this permission at any time and for any reason.

25. Softball New Brunswick Inc. recognizes that different information will be available depending on the type of screening document that the individual has submitted. For example, an E-PIC may show details of a specific offense, or not, and/or a VSC may be returned with specific information or simply a notification indicating 'cleared' or 'not cleared'. The Screening Committee may apply and remove conditions at its discretion and will determine the means by which adherence to conditions may be monitored.

### **Records**

30. All records will be maintained in a confidential manner and will not be disclosed to others except as required by law, or for use in legal, quasi-legal, or disciplinary proceedings.

## **ATHLETE PROTECTION POLICY**

### **Purpose**

1. This Policy describes how Persons in Authority can maintain a safe sport environment for Athletes.

### **Interactions between Persons in Authority and Athletes**

2. For interactions between Persons in Authority and Athletes, Softball New Brunswick Inc. strongly recommends the 'Rule of Two' for all Persons in Authority who interact with athletes. The 'Rule of Two' is a directive that says that an athlete must never be alone one-on-one with an unrelated Person in Authority.
3. Softball New Brunswick Inc. recognizes that fully implementing the 'Rule of Two' in all circumstances may not be possible. Consequently, at a minimum, interactions between Persons in Authority and Athletes must respect the following:
  - a) **Transparent**
    - i. Encourage parents to appropriately support their children's involvement
    - ii. Allow the training environment to be open to observation by parents. Ensure an open and observable environment for all interactions between Persons in Authority and athletes. This could include leaving the door open when having a meeting, moving away from others in a public space but staying within eyesight.
    - iii. Avoid private or one-on-one situations unless they are open and observable by another adult or athlete.
  - b) **Authorized**
    - i. Limit any situation when a Person in Authority is alone with an athlete
    - ii. Ensure Persons in Authority do not invite or have an athlete(s) in the home without the written permission of the athlete's parent or guardian
    - iii. Ensure athletes do not find themselves in a situation where they are alone with a Person in Authority without another screened adult or athlete present unless prior written permission is obtained from the athlete's parent or guardian
    - iv. When only one athlete and Person in Authority travel to a competition, at the competition the Person in Authority and athlete should attempt to establish a "buddy" club to associate with during the competition and away from the venue
  - c) **Accountable**
    - i. If a situation arises where an interaction that breaks the spirit of the 'Rule of Two' arises, Persons in Authority should make themselves accountable by reporting it to a staff or volunteer supervisor

### **Practices and Competitions**

4. Softball New Brunswick Inc. strongly recommends:
  - a) Teams or groups of athletes will always have at least two Persons in Authority with them
  - b) For mixed gender teams or groups of athletes, there will be one Person in Authority from each gender identity
  - c) Screened parents or other volunteers will be available in situations when two Persons in Authority cannot be present

- d) A Person in Authority should never be alone with an athlete prior to or following a competition or practice, unless the Person in Authority is the athlete's parent or guardian. If the athlete is the first athlete to arrive, the athlete's parent should remain until another athlete or Person in Authority arrives. Similarly, if an athlete would potentially be alone with a Person in Authority following a competition or practice, the Person in Authority should ask another Person in Authority (or a parent or guardian of another athlete) to stay until all the athletes have been picked up. If an adult is not available, then another athlete should be present in order to avoid the Person in Authority being alone with a single athlete
- e) Persons in Authority giving instructions, demonstrating skills, or facilitating drills or lessons to an individual athlete should always be doing so within earshot and eyesight of another Person in Authority

### **Communications**

- 5. Softball New Brunswick Inc. will strongly recommend the following communication guidelines for all Persons in Authority who interact with athletes:
  - a) Persons in Authority may only send personal texts, direct messages on social media or emails to individual athletes when necessary and only for communicating information related to team issues and activities (e.g., non-personal information). Any such texts, messages or emails shall be professional in tone
  - b) Electronic communication between Persons in Authority and Athletes that is personal in nature should be avoided. If such communication occurs, it must be recorded and available for review by another Person in Authority and/or by the Athlete's parent/guardian (when the Athlete is a Vulnerable Participant)
  - c) Parents and guardians have the right to request that their child not be contacted by Persons in Authority using any form of electronic communication and/or to request that certain information about their child may not be distributed in any form of electronic communications
  - d) All communication between Persons in Authority and athletes must be between the hours of 6:00am and midnight unless extenuating circumstances exist
  - e) No communication concerning drugs or alcohol use (unless regarding its prohibition) is permitted
  - f) No sexually explicit language or imagery or sexually oriented conversation is permitted
  - g) Persons in Authority are not permitted to ask athletes to keep a secret for them
  - h) A Person in Authority should not become overly-involved in an athlete's personal life

### **Travel**

- 6. Softball New Brunswick Inc. will strongly recommend the following travel guidelines for all Persons in Authority who travel with athletes:
  - a) No Person in Authority may drive an athlete alone unless the Person in Authority is the athlete's parent or guardian
  - b) A Person in Authority may not share a room or be alone in a hotel room with an athlete unless the Person in Authority is the athlete's parent or guardian
  - c) Room or bed checks during overnight stays must be done by two Persons in Authority
  - d) For overnight travel when athletes must share a hotel room, roommates will be age-appropriate (e.g., within 2 years of age) and of the same gender identity

### **Locker Room / Changing Areas**

- 7. Softball New Brunswick Inc. will strongly recommend the following guidelines for the locker room, changing area, and meeting rooms:
  - a) Interactions (i.e., conversation) between Persons in Authority and athletes should not occur in any room where there is a reasonable expectation of privacy such as the locker room, restroom or changing area. A second adult should be present for any necessary interaction between an adult and an athlete in any such

room (e.g., adhering to the Rule of Two).

- b) If Persons in Authority are not present in the locker room or changing area, or if they are not permitted to be present, they should still be available outside the locker room or changing area and be able to enter the room or area if required, including but not limited to team communications and/or emergency

### **Photography / Video**

- 8. Softball New Brunswick Inc. will strongly recommend the following photography / video guidelines and the use of an Image Consent Form (**Appendix A – Image Consent Form**):
  - a) Parents/guardians should sign an image release form (i.e., as part of the registration process) that describes how an athlete’s image may be used by Softball New Brunswick Inc.
  - b) Photographs and video may only be taken in public view, must observe generally accepted standards of decency, and be both appropriate for and in the best interest of the athlete.
  - c) The use of recording devices of any kind in rooms where there is a reasonable expectation of privacy is strictly prohibited.
  - d) Examples of photos that should be edited or deleted include:
    - i. Images with misplaced apparel or where undergarments are showing
    - ii. Suggestive or provocative poses
    - iii. Embarrassing images

### **Physical Contact**

- 9. Softball New Brunswick Inc. understands that some physical contact between Persons in Authority and athletes may be necessary for various reasons including, but not limited to, teaching a skill or tending to an injury. Softball New Brunswick Inc. will strongly recommend the following touch guidelines:
  - a) Unless it is not possible because of serious injury or other circumstance, a Person in Authority should always clarify with an athlete where and why any touch will occur. The Person in Authority must make clear that he or she is *requesting* to touch the athlete and not *requiring* the physical contact
  - b) Infrequent, non-intentional physical contact, particularly contact that arises out of an error or a misjudgment on the part of the athlete during a training session, is permitted
  - c) Making amends, such as an apology or explanation, is encouraged to further help educate athletes on the difference between appropriate and inappropriate contact
  - d) Hugs lasting longer than 5 seconds, cuddling, physical horseplay, and physical contact initiated by the Person in Authority is not permitted. Softball New Brunswick Inc. is aware that some athletes may initiate hugging or other physical contact with a Person in Authority for various reasons (e.g., such as crying after a poor performance), but this physical contact should always be limited to circumstances where the Person in Authority believes it is in the best interest of the athlete.

The categories of Maltreatment are not mutually exclusive, nor are the examples provided in each category an exhaustive list. ## ABUSE POLICY

### Purpose

1. Softball New Brunswick Inc. is committed to a sport environment free from abuse. The purpose of this Policy is to stress the importance of that commitment by educating Participants about abuse, outlining how Softball New Brunswick Inc. will work to prevent abuse, and how abuse or suspected abuse can be reported to and addressed by Softball New Brunswick Inc.

### Zero Tolerance Statement

2. Softball New Brunswick Inc. has zero tolerance for any type of abuse. Participants are required to report instances of abuse or suspected abuse to Softball New Brunswick Inc. to be immediately addressed under the terms of the applicable policy.

### Education – What is Abuse

3. Vulnerable Participants can be abused in different forms.
4. The following description of Child / Youth Abuse has been modified and adapted from Ecclesiastical's *Guidelines for Developing a Safety & Protection Policy for Children / Youth / Vulnerable Adults*:

#### *Child / Youth Abuse*

5. "Child abuse" refers to the violence, mistreatment or neglect that a child or adolescent may experience while in the care of someone they depend on or trust. There are many different forms of abuse and a child may be subjected to more than one form:
  - a) **Physical abuse** involves single or repeated instances of deliberately using force against a child in such a way that the child is either injured or is at risk of being injured. Physical abuse includes beating, hitting, shaking, pushing, choking, biting, burning, kicking or assaulting a child with a weapon. It also includes holding a child under water, or any other dangerous or harmful use of force or restraint.
  - b) **Sexual abuse** and exploitation involve using a child for sexual purposes. Examples of child sexual abuse include fondling, inviting a child to touch or be touched sexually, intercourse, rape, incest, sodomy, exhibitionism, or involving a child in prostitution or pornography.
  - c) **Neglect** is often chronic, and it usually involves repeated incidents. It involves failing to provide what a child needs for his or her physical, psychological or emotional development and well being. For example, neglect includes failing to provide a dependent child with food, clothing, shelter, cleanliness, medical care, or protection from harm.
  - d) **Emotional abuse** involves harming a child's sense of self-worth. It includes acts (or omissions) that result in, or place a child at risk of, serious behavioural, cognitive, emotional, or mental health problems. For example, emotional abuse may include aggressive verbal threats, social isolation, intimidation, exploitation, or routinely making unreasonable demands. It also includes exposing the child to violence.
6. An abuser may use a number of different tactics to gain access to children, exert power and control over them, and prevent them from telling anyone about the abuse or seeking support. The abuse may happen once, or it may occur in a repeated and escalating pattern over a period of months or years. The abuse may change form over time.
7. Abuse of children or youth in sport can include emotional maltreatment, neglect, and physical maltreatment.

- a) **Emotional Maltreatment** – A coach’s failure to provide a developmentally-appropriate and supportive environment. Emotional abuse is at the foundation of all other forms of maltreatment (sexual, physical and neglect). In sports, this conduct has the potential to cause emotional or psychological harm to an athlete when it is persistent, pervasive or patterned acts (i.e., yelling at an athlete once does not constitute maltreatment). Examples of emotional maltreatment include:
- i. Refusal to recognize an athlete’s worth or the legitimacy of an athlete’s needs (including complaints of injury/pain, thirst or feeling unwell)
  - ii. Creating a culture of fear, or threatening, bullying or frightening an athlete
  - iii. Frequent name-calling or sarcasm that continually “beats down” an athlete’s self-esteem
  - iv. Embarrassing or humiliating an athlete in front of peers
  - v. Excluding or isolating an athlete from the group
  - vi. Withholding attention
  - vii. Encouraging an athlete to engage in destructive and antisocial behaviour, reinforcing deviance, or impairing an athlete’s ability to behave in socially appropriate ways
  - viii. Over-pressuring; whereby the coach imposes extreme pressure upon the athlete to behave and achieve in ways that are far beyond the athlete’s capabilities
  - ix. Verbally attacking an athlete personally (e.g., belittling them or calling them worthless, lazy, useless, fat or disgusting).
  - x. Routinely or arbitrarily excluding athletes from practice
  - xi. Using conditioning as punishment
  - xii. Throwing sports equipment, water bottles or chairs at, or in the presence of, athletes
  - xiii. Body shaming – making disrespectful, hurtful or embarrassing comments about an athlete’s physique
- b) **Neglect** - acts of omission (i.e., the coach should act to protect the health/well-being of an athlete but does not). Examples of neglect include:
- i. Isolating an athlete in a confined space or stranded on equipment, with no supervision, for an extended period
  - ii. Withholding, recommending against, or denying adequate hydration, nutrition, medical attention or sleep
  - iii. Ignoring an injury
  - iv. Knowing about sexual abuse of an athlete but failing to report it
- c) **Physical Maltreatment** - involves contact or non-contact behaviour that can cause physical harm to an athlete. It also includes any act or conduct described as physical abuse or misconduct (e.g., child abuse, child neglect and assault). Almost all sports involve strenuous physical activity. Athletes regularly push themselves to the point of exhaustion. However, any activity that physically harms an athlete—such as extreme disciplinary actions or punishment—is unacceptable. Physical maltreatment can extend to seemingly unrelated areas including inadequate recovery times for injuries and restricted diet. Examples of physical maltreatment include:
- i. Punching, beating, biting, striking, choking or slapping an athlete
  - ii. Intentionally hitting an athlete with objects or sporting equipment
  - iii. Providing alcohol to an athlete under the legal drinking age
  - iv. Providing illegal drugs or non-prescribed medications to any athlete
  - v. Encouraging or permitting an athlete to return to play prematurely or without the clearance of a medical professional, following a serious injury (e.g., a concussion)
  - vi. Prescribed dieting or other weight-control methods without regard for the nutritional well-being and health of an athlete

- vii. Forcing an athlete to assume a painful stance or position for no athletic purpose, or excessive repetition of a skill to the point of injury
  - viii. Using excessive exercise as punishment (e.g., stretching to the point of causing the athlete to cry, endurance conditioning until the athlete vomits)
8. Importantly, emotional and physical maltreatment does not include professionally-accepted coaching methods (per the NCCP) of skill enhancement, physical conditioning, team building, discipline, or improving athletic performance.
9. Potential warning signs of abuse of children or youth can include:
- a) Recurrent unexplained injuries
  - b) Alert behaviour; child seems to always be expecting something bad to happen
  - c) Often wears clothing that covers up their skin, even in warm weather
  - d) Child startles easily, shies away from touch or shows other skittish behaviour
  - e) Constantly seems fearful or anxious about doing something wrong
  - f) Withdrawn from peers and adults
  - g) Behaviour fluctuates between extremes (e.g., extremely cooperative or extremely demanding)
  - h) Acting either inappropriately beyond their age (like an adult; taking care of other children) or inappropriately younger than their age (like an infant; throwing tantrums)
  - i) Acting out in an inappropriate sexual way with toys or objects
  - j) New adult words for body parts and no obvious source
  - k) Self-harm (e.g., cutting, burning or other harmful activities)
  - l) Not wanting to be alone with a particular child or young person

#### *Vulnerable Adult Abuse*

10. Although individuals may be abused at virtually any life stage – childhood, adolescence, young adulthood, middle age, or old age – the nature and consequences of abuse may differ depending on an individual’s situation, disability, or circumstance.
11. Abuse of vulnerable adults is often described as a misuse of power and a violation of trust. Abusers may use a number of different tactics to exert power and control over their victims. Abuse may happen once, or it may occur in a repeated and escalating pattern over months or years. The abuse may take many different forms, which may change over time:
- a) **Psychological abuse** includes attempts to dehumanize or intimidate vulnerable adults. Any verbal or non-verbal act that reduces their sense of self-worth or dignity and threatens their psychological and emotional integrity is abuse. This type of abuse may include, for example
    - i. Threatening to use violence
    - ii. Threatening to abandon them
    - iii. Intentionally frightening them
    - iv. Making them fear that they will not receive the food or care they need
    - v. Lying to them
    - vi. Failing to check allegations of abuse against them
  - b) **Financial abuse** encompasses financial manipulation or exploitation, including theft, fraud, forgery, or extortion. It includes using a vulnerable adult’s money or property in a dishonest manner or failing to use a vulnerable adult’s assets for their welfare. Abuse occurs any time someone acts without consent in a

way that financially or personally benefits one person at the expense of another. This type of abuse against a vulnerable adult may include, for example:

- i. Stealing their money, disability cheques, or other possessions
- ii. Wrongfully using a Power of Attorney
- iii. Failing to pay back borrowed money when asked

- c) **Physical abuse** includes any act of violence – whether or not it results in physical injury. Intentionally inflicting pain or injury that results in either bodily harm or mental distress is abuse. Physical abuse may include, for example:
- i. Beating
  - ii. Burning or scalding
  - iii. Pushing or shoving
  - iv. Hitting or slapping
  - v. Rough handling
  - vi. Tripping
  - vii. Spitting
- d) All forms of sexual abuse are also applicable to vulnerable adults

12. Potential warning signs of abuse of vulnerable adults can include:

- a) Depression, fear, anxiety, passivity
- b) Unexplained physical injuries
- c) Dehydration, malnutrition, or lack of food
- d) Poor hygiene, rashes, pressure sores
- e) Over-sedation

15. Softball New Brunswick Inc. will use the *Screening Policy* to determine the level of trust, authority, and access that each Person in Authority has with Vulnerable Participants. Each level of risk will be accompanied by increased screening procedures which may include the following, singularly or in combination:

  - b) Completing a Screening Declaration Form

16. A Person in Authority's failure to participate in the screening process or pass the screening requirements as determined by a Screening Committee, will result in the Person in Authority's ineligibility for the position sought.

#### *Orientation and Training*

17. Softball New Brunswick Inc. will deliver orientation and training to those Persons in Authority who have access to, or interact with, Vulnerable Participants. The orientation and training, and their frequency, will be based on the level of risk, as described in the *Screening Policy*.
18. Orientation may include, but is not limited to: introductory presentations, facility tours, equipment demonstrations, parent/athlete meetings, meetings with colleagues and supervisors, orientation manuals, orientation sessions, and increased supervision during initial tasks or periods of engagement.
19. Training may include, but is not limited to: certification courses, online learning, mentoring, workshop sessions, webinars, on-site demonstrations, and peer feedback.
20. At the conclusion of the orientation and training, Softball New Brunswick Inc. will maintain a record that the Person in Authority has received and completed the training.

#### *Practice*

21. When Persons in Authority interact with Vulnerable Participants, they are required to enact certain practical approaches to these interactions. These include, but are not limited to:
  - a) Limiting physical interactions to non-threatening or non-sexual touching (e.g., high-fives, pats on the back or shoulder, handshakes, specific skill instruction, etc.)
  - b) Ensuring that Vulnerable Participants are always supervised by more than one Person in Authority
  - c) Ensuring that more than one person is responsible for team selection (thereby limiting the consolidation of power onto one Person in Authority)
  - d) Ensuring that all electronic communication with Vulnerable Participants is open and observable
  - e) Ensuring that parents/guardians are aware that some non-personal communication between Persons in Authority and Vulnerable Participants (e.g., coaches and athletes) may take place electronically (e.g., by texting) and that this type of communication is now considered to be commonplace, especially with older Vulnerable Participants (e.g., teenagers). Persons in Authority are aware that such communication is subject to Softball New Brunswick Inc.'s *Code of Conduct and Ethics* and *Social Media Policy*.
  - f) When traveling with Vulnerable Participants, the Person in Authority will not transport Vulnerable Participants without another adult present and will not stay in the same overnight accommodation location without additional adult supervision.

#### *Monitoring*

22. Softball New Brunswick Inc. will regularly monitor those Persons in Authority who have access to, or interact with, Vulnerable Participants. The monitoring will be based on the level of risk, as described in the *Screening Policy*.
23. Monitoring may include, but is not limited to: regular status reports, logs, supervisor meetings, supervisor on-site check-ins, feedback provided directly to the organization (from peers and parents/athletes), and regular evaluations.

### **Reporting Abuse**

24. Reports of abuse that are shared confidentially with a Person in Authority by a Vulnerable Participant may require the Person in Authority to report the incident to parents/guardians, Softball New Brunswick Inc. or the police. Persons in Authority must respond to such reports in a non-judgemental, supportive and comforting manner but must also explain that the report may need to be escalated to the proper authority or to the Vulnerable Participant's parent/guardian.
  
25. Complaints or reports that describe an element of **abuse** will be addressed by the process(es) described in Softball New Brunswick Inc.'s *Discipline and Complaints Policy* and the *Investigations Policy*.

33. The hearing will proceed in any event, even if a Party chooses not to participate in the hearing.
34. If a decision may affect another party to the extent that the other party would have recourse to a complaint or an appeal in their own right, that party will become a Party to the current complaint and will be bound by the decision.
- 35.** In fulfilling its duties, the External Discipline Panel may obtain independent advice.

#### Decision

36. After hearing and/or reviewing the matter, the External Discipline Panel will determine whether an infraction has occurred and, if so, the sanctions to be imposed. 38. Prior to determining sanctions, the Internal Discipline Chair or External Discipline Panel, as applicable, will consider the On-Field Conduct Disciplinary Guidelines and any mandatory minimum sanctions that are described in those Guidelines.

41. \*The Internal Discipline Chair or External Discipline Panel, as applicable, may apply the following presumptive sanctions which are presumed to be fair and appropriate for the listed Maltreatment:

- a) Sexual Maltreatment involving a Minor Complainant shall carry a presumptive sanction of permanent ineligibility;
- b) Sexual Maltreatment, Physical Maltreatment with contact, and Maltreatment related to interference or manipulation of process shall carry a presumptive sanction of either a period of suspension or eligibility restrictions.
- c) While a Respondent has pending charges or dispositions in violation of the criminal law, the presumptive sanction shall be a period of suspension

42. A Participant's conviction for a *Criminal Code* offense shall carry a presumptive sanction of permanent ineligibility from participating with Softball New Brunswick Inc. *Criminal Code* offences may include, but are not limited to:

- a) Sexual Maltreatment involving a Minor Complainant shall carry a presumptive sanction of permanent ineligibility;

43. Unless the External Discipline Panel decides otherwise, any disciplinary sanctions will begin immediately, notwithstanding an appeal. Failure to comply with a sanction as determined by the External Discipline Panel will result in an automatic suspension until such time as compliance occurs.

44. Records of all decisions will be maintained by Softball New Brunswick Inc.

#### Appeals

45. The decision of the External Discipline Panel may be appealed in accordance with Softball New Brunswick Inc.'s *Appeal Policy*.

#### **Suspension Pending a Hearing**

46. The Executive Director and President may, after consultation and at their sole discretion, determine that an alleged incident is of such seriousness as to warrant suspension of a Participant pending completion of a criminal process, the hearing, or a decision of the External Discipline Panel. If the complaint is against either the President or Executive Director, such decision shall be made by the External Discipline Panel, upon application by the Complainant.

#### **Confidentiality**

47. The discipline and complaints process is confidential and involves only the Parties, the Case Manager, the External Discipline Panel, and any independent advisors to the External Discipline Panel. Once initiated and until a decision is released, none of the Parties will disclose confidential information relating to the discipline or complaint to any person not involved in the proceedings.

**Timelines**

48. If the circumstances of the complaint are such that adhering to the timelines outlined by this Policy will not allow a timely resolution to the complaint, the External Discipline Panel may direct that these timelines be revised.

### Purpose

1. Softball New Brunswick Inc. supports the principles of Alternative Dispute Resolution (ADR) and is committed to the techniques of negotiation, facilitation, and mediation as effective ways to resolve disputes. Alternative Dispute Resolution also avoids the uncertainty, costs, and other negative effects associated with lengthy appeals or complaints, or with litigation.
2. Softball New Brunswick Inc. encourages all Participants to communicate openly, collaborate, and use problem-solving and negotiation techniques to resolve their differences. 16. In all stages of the investigation, the investigator will take every precaution to protect the identity of the Worker who submitted the report and/or the specific nature of the report itself. However, Softball New Brunswick Inc. recognizes that there are some instances where the nature of the report and/or the identity of the Worker who submitted the report will or may be inadvertently deduced by individuals participating in the investigation.
17. The investigator will prepare an Investigator's Report – omitting names whenever possible and striving to ensure confidentiality – that will be submitted to Softball New Brunswick Inc.'s President and/or Executive Director for review and action.

### **Decision**

18. Within fourteen (14) days after receiving the Investigator's Report, Softball New Brunswick Inc.'s President and/or Executive Director will take corrective action, as required. Corrective action may include, but is not limited to including:
  - a) Enacting and/or enforcing policies and procedures aimed at eliminating the wrongdoing or further opportunities for wrongdoing;
  - b) Revision of job descriptions; or
  - c) Discipline, suspension, termination, or other action as permitted by Softball New Brunswick Inc.'s Bylaws, provincial employment legislation, any relevant and applicable Softball New Brunswick Inc. policy, and/or the Worker's Employment Agreement or Contractor Agreement.
19. The corrective action, if any, will be communicated to the investigator who will then inform the Worker who submitted the report.
20. Decisions made under the terms of this Policy may be appealed under the terms of Softball New Brunswick Inc.'s *Appeal Policy* provided that:
  - a) If the Worker who submitted the initial report is appealing the decision, the Worker understands that his or her identity must be revealed if he or she submits an appeal, and
  - b) If the Director or Worker against whom the initial report was submitted is appealing the decision, the Worker or Director understands that the identity of the Worker who submitted the report will not be revealed and that Softball New Brunswick Inc. will act as the Respondent

### **Confidentiality**

21. Confidentiality at all stages of the procedures outlined in this Policy – from the initial report to the final decision – is assured for all individuals (the Worker, the Worker(s) against whom the report is submitted, and the individuals interviewed during the investigation). An individual who intentionally breaches the confidentiality clause of this Policy will be subject to disciplinary action.

### **Scope and Application of this Policy**

2. This Procedure will be applied to all Softball New Brunswick Inc.-sanctioned and operated Events. Changes to this Procedure must also be outlined in the event Competition Guide, when and if applicable.
3. If the Event is being sanctioned by an organization other than Softball New Brunswick Inc., the Event Discipline Procedure of the sanctioning organization will replace this procedure. 4. This Procedure does not replace or supersede Softball New Brunswick Inc.'s *Discipline and Complaints Policy*. Instead, this Procedure works in concert with the *Discipline and Complaints Policy* by outlining, for a designated person with authority at an event sanctioned and operated by Softball New Brunswick Inc., the procedure for taking immediate, informal, or corrective action in the event of a possible violation of Softball New Brunswick Inc.'s *Code of Conduct and Ethics*.

### **Misconduct During Events**

5. Incidents that violate or potentially violate Softball New Brunswick Inc.'s *Code of Conduct and Ethics*, which can occur during a competition, away from the area of competition, or between parties connected to the Event, shall be reported to the Event Discipline Committee.
6. The Discipline Committee will consist of the supervisor, the Umpire in Chief (UIC) and a third person appointed by the supervisor. The Discipline Committee will make rulings on any incidents that occur during the Event. Incident Report Forms must be completed by all parties. These forms will be available in the umpires' change rooms during the tournament or can be obtained from the supervisor.
7. All incidents must be reported even if no further action is required. Provincial/Territorial Associations wish to be informed of all incidents involving its teams at Events. Incident reporting may be for both on and off field incidents. Please see the *Discipline and Complaints Policy* for more information.
8. In all matters of Event discipline, the supervisor shall have final authority.

### **Reporting Process**

9. An Incident Report must be completed by the umpire(s) or any affected Participant(s).
10. The Incident Report must be given to the UIC, who shall ensure that it is complete. If the report is incomplete, the UIC will gather the missing information.
11. The UIC must provide the complete report to the supervisor.

12. The supervisor must ensure that all relevant information is contained in the Incident Report, including the full names of any Participant involved, the full names of witnesses and their contact information (phone number, email address), and a detailed description of the incident from both parties (i.e. a written account of the incident from the umpire(s) and the Participant(s) in question).
13. The supervisor must ensure that all parties have written a description of the incident.
14. The supervisor must convene a meeting of the Discipline Committee within 24 hours of the incident, or sooner if warranted by the circumstances. If it is deemed necessary, additional information shall be gathered (such as additional witnesses and their statements) and provided to the Discipline Committee. The supervisor will be the chairperson of this meeting.
15. The committee will interview any relevant Participant involved in the incident and ask questions to clarify the reports submitted and allow the parties to add information to the report previously submitted.
16. All relevant parties (as determined by the supervisor) involved in the incident will be in attendance at this meeting. Each person will be allowed to give a ten (10) minute explanation of the events. Questions will be directed to any witnesses present at the incident by the Discipline Committee. After each person has spoken, the other party is allowed a 5-minute rebuttal. The supervisor has the right to modify this agenda as the situation dictates.
17. Upon hearing all of the evidence, the Discipline Committee will make a decision regarding whether a breach of any Softball New Brunswick Inc. policy has occurred and, if so, impose the appropriate sanction. The Discipline Committee will provide a written decision to any Participant involved in the incident, as well as to Softball New Brunswick Inc., as soon as reasonably possible.
18. If warranted by the circumstances, the Discipline Committee may render an oral decision or a summary written decision, with a full reasoned decision to follow.
19. For the purpose of taking disciplinary action during the Event, the Discipline Committee will determine the appropriate action to be taken regarding the infraction(s) in accordance with Softball New Brunswick Inc.'s Discipline and Complaints Policy.

#### **Authority**

20. The Discipline Committee does not have the authority to determine a suspension that exceeds the duration of the Event. A full written report of the incident shall be submitted to Softball New Brunswick Inc. following the conclusion of the Event. Further discipline may then be applied in accordance with Softball New Brunswick Inc.'s *Discipline and Complaints Policy* if necessary.
21. Decisions made in the scope of this Procedure may not be appealed.
22. This Procedure does not prohibit other Participants from reporting the same incident to Softball New Brunswick Inc. to be addressed as a formal complaint pursuant to Softball New Brunswick Inc.'s *Discipline and Complaints Policy*.
23. Softball New Brunswick Inc. shall record and track all reported incidents.
