## **Softball NS Member Accident and Liability Insurance**

Softball NS Member Insurance is coverage for sanctioned practices and games. This includes items such as dental, physiotherapy, accident reimbursement, accidental death, fracture indemnity, rehabilitation indemnity, tuition fee reimbursement, emergency transportation benefit, and expenses for eyeglasses or contact lenses. SNS Insurance must receive notice of the accident within 30 days of the incident by completing the claim form, and all documentation associated with the claim (i.e. must be submitted within 90 days of the accident). If you have coverage through your employment or elsewhere, you must make your claim with that institution first. Your accident policy is excess and only contributes after all other insurance available to you is exhausted.

No matter how careful you are, accidents happen. You can be sued by anyone who claims injury or damage resulting from Softball NS sanctioned activities. In short, liability insurance gives you peace of mind. All Softball NS registered members of the organization are covered during sanctioned events.

This Softball NS Commercial General Liability and accidental coverage is NOT emergency travel medical insurance. Please check with your personal current insurance provider (if applicable) whether your personal insurance provides travel, medical insurance, or emergency medical coverage.
