

Softball PEI - Player Movement Policy

Any player looking to move up or down from any club and/or provincial team must apply with a written letter to SPEI. This letter must include previous playing history as well as any reason(s) for movement. If any assessment is needed it will be conducted by 3 members of SPEI and there will be a charge of \$100.

All board members will vote on the request, and all decisions will be final. No appeals will be accepted. Player movement decisions, both up or down, will be based on the best interests of the player as well as the teams affected by any movement.
