

Making Ethical Decisions (MED)

Update for 2026 – Effective April 1, 2026

As of April 1, 2026, the MED certification process has changed.

The previous two-option format (Online Module or Online Evaluation only) is no longer available.

All coaches must now complete MED through the NCCP MED eLearning module in The Locker, which includes both training and evaluation in one course.

How to Complete MED (After April 1, 2026)

1. Visit www.coach.ca
2. Log in to The Locker
 - If you have taken an NCCP clinic before, you already have an NCCP account
 - If you forgot your password, click “Forgot Password.”
 - If you are new, click “Create NCCP#”
3. Navigate to eLearning
4. Select NCCP Make Ethical Decisions eLearning Module
5. Complete the training and evaluation within the module

Once payment is made, coaches will have ongoing access to the module through The Locker.

The module can be completed on a computer, tablet, or mobile device.

Important Information for Current Coaches (Transition Period)

Coaches Who Have Already Completed MED

- No action required
- Your transcript remains valid
- You do NOT need to take the new eLearning module

Coaches Mid-Stream

(Coaches who completed in-person training but not the evaluation)

- You must complete the current MED Online Evaluation by:
March 31, 2026 – 11:59:59 PM PT
- If not completed by this deadline, you must take the new eLearning module.
- You will not be charged again.

Coaches Who Completed Evaluation Only (No Training)

- If your pathway requires MED training, you will need to complete the new eLearning module.
- Payment will be required.
