

# Tissue Paper "Stained Glass" Window Art

## You will need:

- Scissors
- Glue stick
- Tissue paper scrap pieces (roughly torn or cut into triangle pieces seem to work well)

## Steps:

1. Print out the template you want to create
2. Cut out the white areas
3. Flip over the template and glue on the tissue paper pieces on the back, overlapping other tissue pieces and the template border.
4. When the areas are covered, you can trim any excess that might be outside the template border
5. Tape to a sunny window and enjoy!

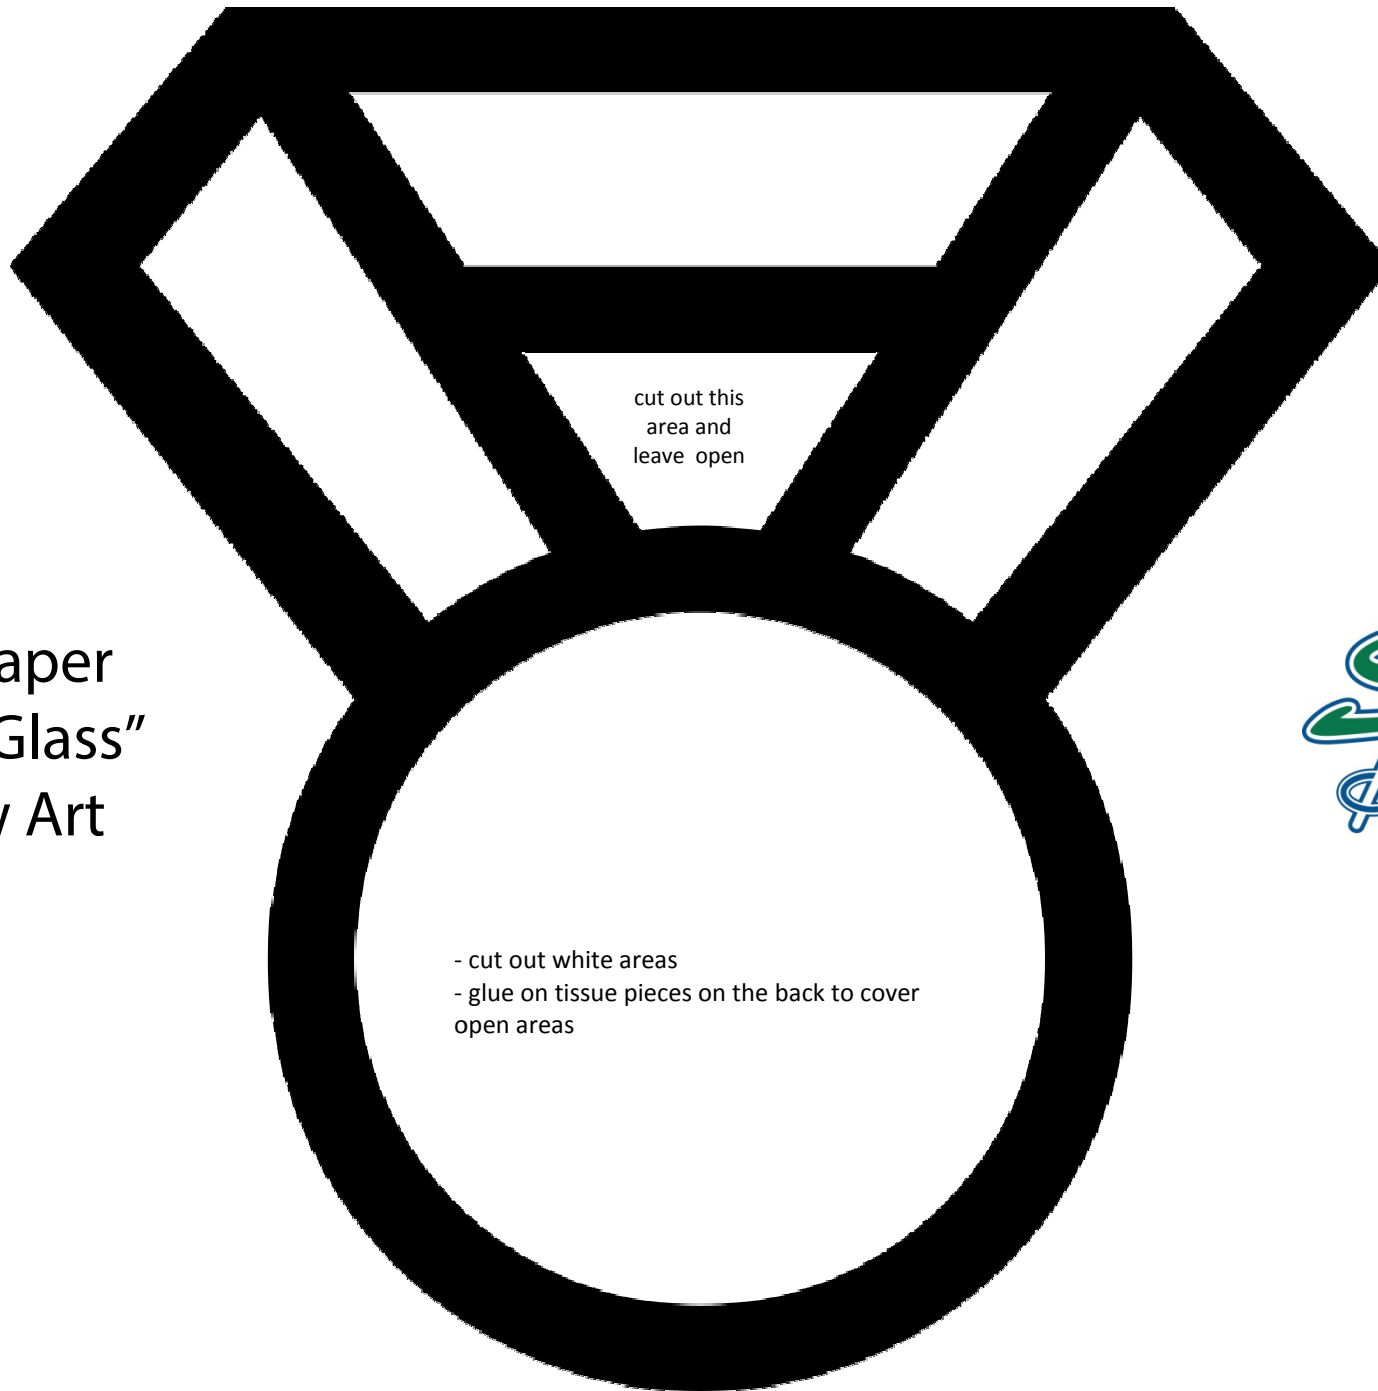

- cut out white areas
- glue tissue pieces on the back to cover open area
