## 16. PLAYER EQUIPMENT

A coach is responsible for checking that each player is properly equipped with approved Ringette equipment before participating in a game or practice.

It is a good idea to:

- Carry a supply of spare helmet nuts and bolts.
- Make sure each player has the proper mask.
- Check that each player is wearing their neck guard.
- Test each player's stick length before the start of the season.
- Encourage the use of player mouth guards.

All SWRA Coaches must wear a CSA approved helmet during SWRA practices. All SWRA Coaches must instruct and demonstrate skills using a regulation Ringette stick.

Each team will be provided with

- Rings
- Pylons
- First Aid Kit
- Whiteboard
- Jerseys
- Coaches Bag

We do have Goalie equipment available, especially for the younger age groups. Please contact <u>equipment@swra.ca</u>

Please Look after the equipment!

Rings are the single biggest equipment cost covered by Ringette clubs each year. You can help control the cost of playing Ringette by:

- Counting how many rings you put out for a practice.
- Picking up the same number.

**Note:** If you split a ring, don't throw it out! Trade in for a new one.

Jerseys are expensive

- Distribute and collect team jerseys before and after each game.
- Keep jerseys on hangers and air out between games.
- Identify a parent to be responsible for team jerseys.

## **18. SWRA VOLUNTEER POLICY**

(Excerpt from our Policy and Procedure manual)

- a. It is understood that without volunteer input from all, and a proper functioning Board of Directors, ringette in the district will cease to exist.
- b. At the start of each season, all positions on the Board of Directors must be filled.
- c. At the start of a new ringette season each team may be responsible for up to 2 board positions (not including Open).
- d. Open teams are responsible for providing the SWRA Open Representative and Open players are encouraged to coach youth teams.
- e. Board positions may have their responsibilities divided if the position is considered too busy.
- f. Each incumbent board member will be responsible to produce an updated Standard Operating Procedure (SOP) manual of their position to ensure that the person who takes over has a clear roadmap as to what the job duties are.
- g. Outgoing board members should be willing to help mentor and transition new members into the role.
- h. At the beginning of each season, vacant board positions to be identified and teams notified of the need. Teams will be targeted to find a person to fill the vacant position according to whether they already have a board member on their "roster" and the age group (recruitment will target U10 moving to older age groups as required)
- i. Failure to fill all vacant board positions within 2 weeks of team formation may result in teams having their practice ice allocation withheld until such a time that all positions are filled.

j. In addition to the board of directors, there are many other volunteer needs at the team level and SWRA expects all parents to help as needed. We expect each family to give at least **4 hours** of volunteer time, and this may be completed in a variety of ways (e.g. coaching, team manager, jersey parent, team party planner, board member).

# **19. TEAM MEETING**

# Schedule a coach meeting as soon as possible after the team has been formed, preferably before the first practice.

Outline a general team strategy, proposed practice, game, and tournament schedule, and projected budget for the entire season. The parents must grant their approval of these plans at the same meeting. A meeting of parents and coaches should also be scheduled for the midpoint of the season.

#### Suggested Meeting Agenda:

Coach/Team Staff Introduction

- Introduce yourselves your background, your ringette experience, a bit about yourself, family etc.
- Get families to also introduce themselves and identify their player

Coaching philosophy

- Share your philosophy and your approach to the game
- If you have rules/consequences, vet them out with the parents first/players second

Your expectations of all involved – Team Staff, Players, and Parents

- Review the code of conduct
- Practice arrival times
- Game arrival times
- Game readiness

Team finances / budget

- Tournaments How many, where, when?
  - Local, Provincial, Out of Province, Out of Country
  - Parents and Players should be heard. Tournaments are important team building activities, but they are also expensive.
- Team Building activities
  - Pre-season get together, Holiday season, Team Windup
- Team apparel
- Additional Practices:

- Power skating
- Dryland (we recommend a weekly session, it's a great place for the girls to get to know each other. Boxing is popular <u>unitedboxingclub.com</u> or <u>panamboxing.com</u>, private group sessions at local gyms or rent the gym at a local school)
- Practice Ice

Recruit all parents into a volunteer role.

Again, they agreed to this as part of the code of conduct and need to fulfill their obligations to maintain themselves as a member in good standing. All too often it's the same people to help over and over. If everyone helps a little bit, no task will overwhelm one person and they will gain from being more involved.

Team communication

- Make sure the parents are aware and approve of anything being posted online
- Make sure everyone has the correct contact details uploaded in TeamSnap
- Embrace the 24-hour rule
- Good idea to establish the "Parent Liason" role
- Social Media guidelines Facebook, Twitter, & SMS
- Zero Abuse policy social bullies
