Dear Local Business Owner,

On April 20-26, the Southwest Winnipeg Ringette Association (SWRA) will be hosting the 2025 Manitoba High School Ringette Tournament at Canlan Sports. This is a rare and exciting fundraising opportunity for SWRA as all proceeds will stay in our association benefitting our local players for years to come.

SWRA encompasses River Heights, Wolseley, Charleswood, Linden Woods, Whyte Ridge, Waverley West, Richmond West, University Heights, Fort Richmond and St. Norbert. This year 32 teams from across the city and province will be coming together to compete at both the High School and Junior High level. We anticipate 2000+ people visiting the venue during this event.

Ringette provides a fantastic opportunity for young girls and women to experience all the benefits team sports have to offer - building skills, friendships and confidence that last a lifetime. Ringette events such as these are rare, and do not happen without support from local businesses such as yours.

Please consider an event sponsorship as outlined below. Any amount is appreciated!
