

Phoenix FC

Classic Tournament Guest Player Form

Due to the Classic Tournament being sanctioned by the Alberta Soccer Association (ASA) all players must be registered within an ASA, Canadian Soccer Association or equivalent association. For a guest player to play in the Classic Tournament Phoenix FC must see proof of membership registration, this comes in two forms:

1. Provincial Association roster form with guest player on it, signed by the coach and District/Zone in which the team/player is registered, or
2. Completing the bottom of this form with all required Signatures.

Without one of the two forms signed by the District/Zone the guest player is not eligible to play. A letter from the coach allowing the player to play along with the membership registration form will suffice in place of this form.
