GAME FORMAT & GENERAL RULES

- **Coaches, Refs, and On-field Play**

- A maximum of 2 coaches are allowed on the field and in the huddle, with playbooks, for instruction.
- Officials will be provided for U13 & U16.
- Film will be provided for U13 & U16 to be uploaded into HUDL.
- PLEASE BRING BOTH HOME & AWAY JERSEYS! (HOME dark, AWAY light)
- Head coaches are to meet before the scrimmage and discuss skill level and rotations (for instance, playing starters in the first series, new/younger players in the second series, if desired) to keep the games fun, competitive, and to encourage the development of new players.
 - Blitzing will be allowed if it is agreed upon between both head coaches involved in each specific game.
- For many, this will be the first time ever playing competitive tackle football.

- **Scrimmage Format [U13 & U16]**

- Each team will play **3** games.
- Each team will have two series of ten plays starting from the 40-yard line on offense.[10 offensive and 10 defensive plays, 40 total plays each game, no special teams]
- Home team is to supply the game ball.
- There is no stick crew or first downs. Just 10 plays from the 40 yard line.
- If a touchdown is achieved then the next play is started at the 40-yard line with offense continuing with the ball until the end of the series. There are no conversions after touchdowns
- A touchdown is scored as one point.
- In the event of a turnover to defense (interception, fumble recovered by defense), the play is blown dead and teams move back to the 40-yard line and continue play up to the end of the 10-play series.

JAMBOREE GUIDE (CONTINUED)

• Scrimmage Format [U11]

- Each team will play **2** games
- Follow the 6-a-side CDMFA U11 rules and format (link below)
 - CDMFA U11 House Rules
 - 4 Series of 6 plays each (48 total plays)
 - After the 3rd round, check the time and seek to split the remaining plays evenly
 - I.e. If there is 10 minutes left, each team could play 3 offensive plays each so there is equal opportunity on offense.
