POSITION REPORTING FOR: Ice Allocator	REPORT DATE: April 13, 2025
PERSON REPORTING: Leanne Arch	WILL YOU BE ATTENDING IN PERSON?: Yes

The co-chair for the Provincial AA Evaluation committee is seeking ice times for ice times for evaluations. I will provide these once I receive our ice times.

Contracts will be signed in May / June for next season. At this time I will follow up again about the U10 lines on the ice.

I haven't heard anymore on the available ice at the new arena.

Considerations for next year as per coaches.

- **Half ice markings** painted on our ice surfaces prior to next season.
- Players at age 5 perhaps too young for Step 1 team?
- Is a spring 3 on 3 league an option? Some going to St Albert for same.
- Active start to be split into 2 teams but still share one ice time?
- Include Active starts back into Sweetheart tournament.
- Step 3 should be limited to 13-14 players (this year we had 15)
- Goalie equipment is in rough shape.

Step 3- Roster size of 15 players worked well but did not allow for much affiliation from Step 2.

- The old jerseys with the sewn-on crests will be replaced with the new jerseys (same as the new ones we have). All jerseys will then be the same.
- I will conduct an inventory and replace or add to the jerseys that we currently have.
- I will create a guideline for the incoming equipment coordinator regarding evaluations equipment and team equipment.
