

DIRECTOR'S REPORT

POSITION REPORTING FOR: Coach Director	REPORT DATE: 2025-02-14
PERSON REPORTING: Breanne Brown	WILL YOU BE ATTENDING IN PERSON? Yes

Ongoing support being provided to coaches, division directors and association members when issues arise. Specifics will not be documented in this report.

It would be helpful if SGRA membership are reminded that our coaches and board members are volunteers and doing the best they can in the circumstances. At times, there is room for some constructive feedback, but the treatment of volunteers overall needs to be addressed as we wind down the season and move into playoffs. A reminder about proper channels of communication sent to the membership is also recommended.

POSITION REPORTING FOR: Registrar	REPORT DATE: Feb 14, 2025
PERSON REPORTING: Nicole Chipman	WILL YOU BE ATTENDING IN PERSON?: Yes

For next season I would like to propose the following instead of cheque collection

- Fundraising – Can be added as a fee per account. That way families will only be charged once. I can select what player packages this fee gets applied to.
- Bingo - Can be setup as a mandatory package. They will be charged 0.01 with registration then \$199.99 on May 1 if their shift has not been worked. I will have Shauna provide me with a list every month and I will manually remove the package from their registration.
- Jersey Cheques – There has been discussion about just collecting \$10 per player. Should we just work this into our registration fees?

DIRECTOR'S REPORT

POSITION REPORTING FOR: Sweetheart Tournament	REPORT DATE: March 10, 2025
PERSON REPORTING: Tiffany Zender	WILL YOU BE ATTENDING IN PERSON?: Yes

- Overall, the **2025** Sweetheart Tournament was a success! Very positive vibes from most everyone we dealt with. All the teams seemed to really enjoy the tournament and the activities we provided for them.
- People were extremely positive about the tournament; many commented that it was very well organized and would be applying to return next year. People also enjoyed their swag bags with their spa packages and heart glasses. Heart and Hustle awards (Waterbottle and \$10 coupon from United Cycle, along with coupons from local businesses were well received.
- The Hillberg and Berke Sportsmanship award was really well received. I believe this will continue for future years.
- **68** teams from Alberta, BC and Saskatchewan participated with **956** athletes and their families coming through the TLC, Stu Barnes, Grant Fuhr and Glenn Hall arenas
- Vendor, Pressed YYC said the weekend was very successful again. Our numbers were lower than last year (76 teams and 1080 athletes) as we did not have Active Start participating and we did not include the extra AA teams that we did last year.
- Our sucker pull did not do as well as it usually does. It may have been the location as it wasn't as central to the action as it has been previously, or perhaps, parents were spending more money at the Plinko games area and spending less on the sucker pull.
 - Suggest to have sucker pull more visible next year. That big pillar at the Tri really blocked the view of it.
 - We usually don't have a lot of suckers left over at the end of the weekend. This year there were a ton left over.
- Income for the tournament...
 - **\$17,104.47** in square payments
 - **\$13,608.85** in cash payments
 - **\$24,000.00** in Sponsorships
 - **\$50,563.32** in team registration payments

- **Total: \$105,563.32**
- Expenses for the tournament...
 - **\$11,283.09** approximately for all tournament committee costs. (This does not include ice and refs)
 - Expense spreadsheet attached.
 - Committee members did not all submit their expenses to the tournament Admin so we had to go off of last years numbers for some of the items. We cut expenses a lot this year, so we are expecting that total expenses are actually lower that what we are currently reporting.
 - Refs = **\$10,921.45**
 - We aren't sure what the ice costs were for the tournament.
- .First prize \$200.00 for the Social media challenge went to SGRA's U12A team
- 2nd prize \$100.00 for the Social media challenge went to SGRA's U16B team.
- Next Year...
 - Steph Devries is ready to take on being the Tournament Director next year. She is a great fit as she has been a key person on our Tournament Committee for 3 years.
 - Allison Wilson is ready to take on being the Tournament Coordinator. With Allison's experience on the board this year and taking the lead on the U10 Windup, she will be a great fit for this role.
 -
 - TeamSnap Tournaments no longer needs to be used for updating scores during the tournament. RAMP has everything we need and it's also a lot less work for us to not have to do data entry.
 - The tournament needs someone to take on the position of Scheduler next season. This person will be responsible for
 - Setting up the game schedule using RAMP.
 - Syncing the schedule to RAMP
 - Generating game codes
 - Updating the brackets on RAB site during the tournament as they progress so that the finals games are updated and game codes are generated.
 - Please reach out to Tiffany, Rae-Lynn, Steph or Allison with any recommendations you have on someone who would be a good fit to take on Tournament scheduling.
- Change Round Robin Tie Breaking procedures.
 - **Suggested Changes Attached.**
