

## **DIRECTOR & COORDINATOR REPORTS**

### **FINANCIAL:**

Items for discussion:

- Payment of commitment to attend - estimated costs is 12 teams @ \$500 per team based on fees schedule (hopefully I will have response from RAB by then)
- Provincial costs are team expenses
- U12 Season wind up costs to be paid by teams

Joline Anderson  
Treasurer

### **U10 Director:**

As of the end of session 1 all the U10 teams are having a fun and competitive season. The Step3 team has had a few more issues as a result of varying expectations for the team but by the start of session 2 we expect it to be all worked out. We've had a few U10's affiliate up to the U12's and get some extra ice time, which is great. Game sheets have been slowly trickling in and I have to put out reminders every once in a while.

Anthony Wierenga  
U10 Director

**U14 Director:** Nothing to report

**U16 Director:** Nothing to report

### **ICE ALLOCATOR:**

We are currently on session break. Session 2 will start for all divisions on December 9th. Christmas break will be December 18-January 2. Session 2 schedule will be distributed on December 4th from BGL to myself, then distributed to all teams. SGRA has no ice between December 24 to January 2. If teams are looking for extra ice during that time, I have told them to contact the Tri Leisure and Stu Barnes.

Desiree Janzen  
Ice Allocator
