From Photographer.....

Thank you so much for considering us as your association photographer for the 2020/2021 season. During the past few months we were able to streamline our system and create a more efficient process, which in-turn benefits our clients with higher accuracy and faster delivery times. We have added a new product this season to help off set the expenses associated with photo day. It is called the Standard Memory Mate and it is identical to our premium product the Premium Player Mount. The only difference is it is not mounted on the styrene, but comes in a cardboard photo sleeve. Which makes it perfect for a scrapbook or to frame and change out each year.

If your organization is looking to include something in registration for each player, here are some options we offer:

Standard Package- (Standard Memory Mate & 9 Premium cards) \$25

Premium Package- (Premium Player Mount & 9 Premium Cards) \$31

Standard Memory Mate- \$18

Premium Player Mount -\$20

Director of Registration (Registrar):

172 Total Registrations

AS -7

U10 - 47

U12 - 36

U14 - 46

U16 - 21

U19 - 15

Cisco Web Ex's free account has lowered its time limit to 50 minutes. We can not do a meeting in that amount of time. We can either pay \$17.85 per month for as long as we need it, or we can pay 17.85 per month for 12 months in a lump sum and we will receive 4 free months. Bottom line - we need the platform for now, it's handy and we've had the most attendance using it.

Director of Player Development & Assessment:

- Review of **AHS Stage 2 re-launch** -

- 50 person max for indoor gatherings or 100 max for seated indoor events
- Sports teams can play in region only with cohorts up to 50 player person max. - mini league (Includes - players, coaches, and officials)
- Due to unknown time frame for stage 3 and current stage 2 protocols - recommendation for player evaluations to start between Monday August 31 - September 8, 2020 (Teams must be declared by September 22, 2020)
- 2020-21 Pre-season planning including player evaluation plans will start right away utilizing small working groups with the goal of providing recommendations to the board as well as gathering information and best practices from league partners (Local associations)

Director of Ice Acquisition & Allocation:

There have been no meetings for ice for the fall as of today.

Stony Plain will not be having an ice meeting this year. They are planning on opening the arena August 31. Once that date gets closer, more details will be shared as to what restrictions will look like. They sent out the block of ice for ringette and we have Sunday morning 7:00-8:00am and Monday nights from 9:00-10:00pm. We have been approved for the Sweetheart Tournament February 12-15, 2021. Once Ringette Alberta comes out with Return to Play guidelines, the Town of Stony Plain has asked we share our Return to Play based on Ringette Alberta guidelines.

Attached is the Return to Arena Rentals for the Tri Leisure for summer. This may change when September comes, but just wanted to send this out as a heads up.

Attached is a letter from Ken Luck, Director of Recreation Services with an update in regards to Joint Use for City of Spruce Grove facilities.

We will have to share our Return to Play with Parkland County, Town of Spruce Grove and Town of Stony Plain once that is developed.

Director of Open (18+):

We are going to send out a poll next week asking the U19 players who move up if they would be interested in having another team here in spruce grove.
