## DIRECTOR'S REPORT

POSITION REPORTING FOR: Director of Evaluations	REPORT DATE: August 18, 2024
PERSON REPORTING: Jackie Carson	WILL YOU BE ATTENDING IN PERSON? Yes

As stated in my email last week, the U14AA's will be completing their UAA testing after their team is formed on Wednesday, September 4 th with our U14 group. This decision was made to comply with the edited RAB Tiering Policy. (Where testing now needs to begin after Sept. 1.

I have requested that the successful U14AA skaters NOT attend the practice UAA's and that they are grouped together for on ice testing.

An online training session for our Divisional Director's and myself will take place in the evening on Thursday, August 22, 2024- Time TBD. An invite will be emailed out on Monday, August 19 with details. This meeting generally takes an hour.

Shawn and I have been filling in our volunteer spreadsheet for UAA spots and Goalie shooters. I will be reaching out shortly to begin securing volunteer refs for our house league games.

Due to low registration numbers in both our U12 and U14 levels, we have had to consolidate ice times, thus some schedule changes.

We are experiencing the same situation at our U19 level and will likely be adjusting the schedule shortly to accommodate.

As always, a reminder that the evaluation schedule is subject to change, so please ensure you are sending out links to the SGRA page rather than screenshots when communicating with families.

74 TOTAL = 18 AS + 56 U10

With 14 players on STEP 3 leaves us 42 players

1 AS team = 18

4 U10 teams = 2 teams of 10 and 2 teams of 11

3 U10 teams = 14 players

Really hoping for 2-4 more late registrants.

-Intro letter went out, lots of easy to answer questions biggest one being ice time slot

-2, 4 year olds registered for U10 after the "come try ringette", Step 1 suggested to both based on coaches advise.
