POSITION REPORTING FOR: U16 Director	REPORT DATE: 2023NOV30
PERSON REPORTING: Kelly Lang	WILL YOU BE ATTENDING IN PERSON?: Yes

U16B

1. Have played 7 games and are 2-4-1 and are in 8th place.
2. There was an ambiguous stance on whether this team wanted to be retired in 'C', however, BGL decided to maintain 'B'.
3. Coach has concerns with being at the low end in that games will no longer be competitive in a losing fashion.
4. Player will be receiving a game suspension as she (Tegan Ney) has averaged over 4 mins of penalties in the 1 session. She compiled 22 mins in 4 games, however, RAB failed to comply with their own policy to properly warn coach and player to ensure game play and penalty minute averages are within policy averages. Again, it appears that RAB is failing at complying with policy and procedures set out by themselves and continues to be unaccountable.

U16A

1. Have played 8 league games and with a record of 4-2-2 and are currently in 3rd place.
2. There appears to be no issues or none reported concerns with the team at this point.

*****#4, there appears to be a trend in that I am the last one that finds out about these disciplinary situations and as a result are unable to provide a comprehensive response to place onus on RAB and their deficiencies.

DIRECTOR'S REPORT

POSITION REPORTING FOR: Ice Allocator	REPORT DATE: November 25, 2023
PERSON REPORTING: Desiree Janzen	WILL YOU BE ATTENDING IN PERSON? No

- Ice for session 2 and session 3 was submitted on November 3.
- Team Blackouts were submitted on November 11.
- Just a reminder to teams that if ice is not used as scheduled, your team could be paying for the ice. Cancellation of practice MUST come through to me before making a decision on behalf of your team. I can not make changes to another team at 9:30pm for a 9:15am practice change. Arenas do not like having black ice and last-minute changes. If this happens, we could end up losing those ice slots. Please remember this!!
- Session 2 schedule will be distributed December 3. Once I have that, I will send it to teams. Please be patient with reschedules that need to be done.
- Any special events that require ice must be discussed with me prior to making plans and prior to ice submission to BGL. These dates are published, everyone has access to this. Once ice is submitted to BGL, I can not pull ice back.
- Extra ice for the tournament, Ringette for All, Provincials, Come Try Ringette, etc needs to be communicated in May to me as I start making ice requests in May for the next year. I can not get extra ice mid-season.
- Teams – It seems that if extra ice is being sought out at TLC, Glenn Hall and possibly Agrena, it has to go through me. Please email me directly. This is new and not something that happened before. Town policies have changed.

That is all for now.
