

Director's Reports:

Ice Allocator:

Evaluation ice is almost complete. Contract for Glenn Hall, Stu Barnes and Tri Leisure have been signed. I have not heard from Calahoo or RQB for ice this year. We were able to pick up one slot at Stu Barnes on Wednesday nights, which is fantastic.

Desiree Janzen
Ice Allocator

Technical Director:

Coaching Director:

7 Coaching applications received
8 Junior coach applications

Coach/Manager Meetings:

U10 - September 27 at 7pm at Border Paving Athletic Centre

U12+ - October 4 at 7pm at Border Paving Athletic Centre

U10 Director:

So far we have 42 registered for U10 with 5 of those being Active start. A little lower than last year but the numbers will allow us to atleast have a team in every Step. A few more will trickle in as I have been getting some emails of inquiry.

We also had a request for an underage move up from U10 into U12. Discussion between President, Coaching Director, Technical Director and myself regarding the possibilities. We all came to the relatively same conclusion and she will stay in U10 but affiliate with a mid-tier U12 team to give her the experience to help her grow.
