

SRMB

SEINE RIVER MINOR BALL will host a provincial tournament with teams from across the province coming in late July. We also will be hosting a slow-pitch tournament as well as our annual fall supper. Your support for our association will be recognized at varying levels as described below. We value any support that can be provided and this will be highlighted at our park and at our events. Please review the different levels and choose one that is suitable for your business.

For more information on Sponsorship please contact Alex Grenier at ajgrenier68@gmail.com or 431-556-4628
