# SA510 Gives Back

SA510 visited Operation Friendship Seniors Society on January 26th to prepare and serve lunch at their drop in centre. The boys made over 150 sandwiches, prepared soup, served the lunch, and helped clear away. They worked so quickly together that there was time for them to peel and slice potatoes for a

dinner later in the week, while the adults helped get turkeys in the oven and peel more vegetables to prep for later meals. Maybe most importantly, the boys visited with the seniors and shared all their youthful enthusiasm.

They also collected and brought in 146 pre-loved mugs, 11 tins of coffee and tea, and playing cards and games to help replenish the supplies the centre goes through.

The boys got to practice teamwork in a different way at the centre, and although they were tired afterward, there were smiles all around. The team wants to thank OFSS for allowing us to participate in such a worthwhile activity!
