Spectator Expectations

- Spectators need to be aware of the facility capacities and plan accordingly.
- Spectators need to wear a mask at all times.
- Avoid any congregation in the facility. Spectators should enter the facility at the time of the booking and go directly to spectator seating; at the end of the booking time they need to exit the facility. If they are waiting for their children, they must do so outside or in their vehicles. We ask that people do not stand and wait on the mezzanine or foyer areas.
