Criminal Record Check Request with Vulnerable Sector

_____ wishes to volunteer as a coach/assistant coach with the St. Albert Ringette Association. Their duties will include a leadership and mentor role, working one on one with our children/athletes to develop ringette skills. There will also be times coaches may drive children to games or practices. Coaches/assistant coaches will also be considered a 'safe adult' to which their athletes could come to with other life difficulties, such as they would a teacher. In order to safeguard our children and the Association, it is a requirement for the Association and our provincial governing body (Ringette Alberta) that each coach/assistant coach undergo a Criminal Record Check with Vulnerable Sector.

On behalf of the St. Albert Ringette Association, I would like to thank you for providing your continued support to the community and for supporting the development of our young athletes within the St. Albert Ringette Association.

It is my understanding that there is no fee for this request. If you have any questions or concerns, please feel free to email me at vicepresident@stalbertringette.com.
