

SSHA Goalie Discount Policy:

SSHA Goalies may qualify for registration discounts. In order to qualify, the goalie must pay the full SSHA hockey registration fee upfront before the season begins. Should the goalie be eligible for a discount, the discount will be reimbursed by SSHA during the season in late October, as long as the Division Convenor and SSHA Executive deem that the player is showing continued dedication to playing the goalie position.

Should there be more registered goalies than the number of teams in the division, the registration discount is applied on a first-come, first-served basis for each goalie registered in the division that is eligible for a goalie discount (i.e., the maximum number of discounts is equal to the number of teams within the division).

Eligible Goalie Discounts:

U10:

Goalies who have their own goalie equipment and maintain dedication to play goalie as needed throughout the season = 50% credit toward their fee for the following season.

U12:

Goalies with their own equipment = 50% registration fee (but must let other players play goalie periodically per coaches direction).

U14:

Full Time goalies = 50% registration discount.

U18:

Full Time goalies = Free registration.

Stanley Stick Hockey Association reserves the right to assign more than one goalie per team in any division. While this is rare in U14 and U18, Goalies may need to share playing time in the goalie position, and periodically play a skating position.
