

CONCUSSION TRACKER APP

Getting Started

COACHES

1. Download the **Concussion Tracker App** in the App Store or Google Play
2. Create your *Team Leader* account
Open the app and click 'Create New Account' to follow along with the create account wizard.
3. Create your teams
Click the blue '+' button in the bottom right of the team screen, then create new in bottom right.
4. Add your players
Invite players using their 16-digit account number or ask them to add themselves to your team.

PLAYERS

1. Download the **Concussion Tracker App** in the App Store or Google Play

2. Create your *Player/Parent or Family Account* account

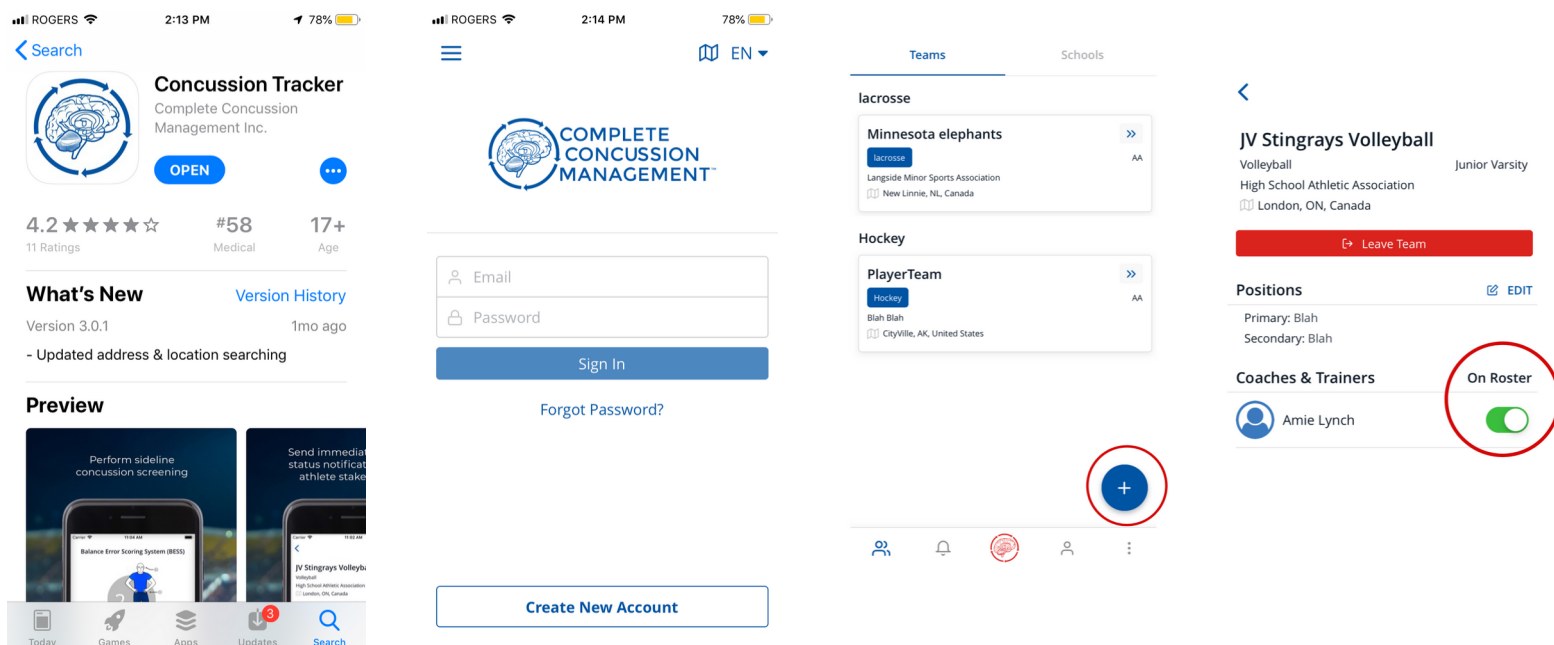

Open the app and click 'Create New Account' to follow along with the create account wizard.

3. Find your team

Click the blue '+' button in the bottom right of the team screen, search for your team and join.

4. Confirm and accept your coaches

Once you join your team, make sure to toggle each coach in the 'on roster' section of coaches & trainers. It will say 'pending' until your coach accepts your request to join the team.

If you have further questions regarding setup on the Concussion Tracker App please refer to our extensive **APP HELP** section on our website for step-by-step instructions on everything from creating teams and adding players, to how to report injuries, how to upload medical clearance letters and more.
