TAMPERING POLICY

No coach and/or official from within a club should initiate or take part in any correspondence with a player and/or parent from outside their designated boundaries to solicit that player for their team/club.

No coach and/or official from within a club should correspond with anyone regarding obtaining a specific player from outside their boundaries.

In the event that a player and/or parent from outside a club's boundary corresponds with a coach or team/official in regard to a transfer, the coach or team/official must then report this correspondence to their club director, whom will then pass this information onto the appropriate SCSA Committee Chairperson.

Coaches and/or officials that do not adhere to the above policy will be subject to disciplinary action by the St. Charles Soccer Association Disciplinary Committee.

Penalty for first offence will be a minimum one-year suspension.
