 1. 11U CABL Navy - Should be coming in this week.
 2. 15UAA1 - will return balls and empty buckets this week.
- b. Guy Proposed a "work bee" for Saturday September 14th to take down the batting cage nets and clean up the equipment sheds at both locations. We will have Jerilyne post on social media to hopefully get some extra hands.

8) Open Discussion

- a. SMBA had an exciting proposal brought forward by a community member to potentially have a U13"B" team for the upcoming season. Open discussion with regards to offering this for one age group, we would also have to offer it to all age groups which we do not have the resources for. Recommendation for this would be to have the team ran as a private winter training/spring team. This would allow the team to attend tournaments throughout the winter and spring months independently. Then, the players can register and try out for the SMBA summer team, as has been done in previous years. Players would go through evaluations following SMBA policies, and the coach would need to submit a coaching application for the Head Coach position of the Stettler Minor Ball summer team.
- b. Discussion with regards to Sarah resigning from Softball President, to have a new position like "softball liaison" or "special events coordinator" added to our board at our 2025 AGM.

9) Sarah made a motion to adjourn the meeting, Danielle seconded, all in favor, motion carried. Meeting adjourned at 8:17pm.
