**4. New Business**

**4.1 Financials** – Report attached below.

*Deidre Northrop motioned to adopt the February 08, 2026 financial report as read. Melissa Muise seconded. All in favor.*

**4.2 Completion of Mid-Season Reviews** – Post-review team meetings have been wrapped up, these meetings went well and coaches were happy to receive the feedback.

**4.3 U7/U9 Tournament Recap** – The tournament was super busy but went over very well, with a lot of positive feedback. The raffle table also did very well. There was a bit of a hiccup with the hub rental, which was quickly cleared up, but the space wasn't utilized as much as anticipated.

**4.4 Playoffs & Practice Ice Changes** – This weekend is the start of playoffs. There will be changes made to the practice schedules as teams are eliminated from playoffs, morning practices will be the first to see changes. Teams are permitted one week of practices post-elimination. Any changes that coaches / managers would like to make need to be communicated to the Ice Allocator prior to making any changes, please contact Martyne directly.

Affiliate player usage is allowed during playoffs, teams need to be sure they are following the CAHL affiliation guidelines. With the new guidelines, teams are able to increase their roster to a maximum roster size, but need to be sure all affiliates are on the HCR. No affiliation for suspended players.

**4.5 Season Send Off 50/50 & Sponsorship**– Due to the number of families still requiring volunteer hours, and the lack of opportunities to offer at this point in the season, the executive board approved one final Season Send Off 50/50 raffle to help with this. Sponsorship is being wrapped up. Unfortunately, the U7/U9 sponsorship boards were missed this year, this is typically something that is part of the fundraising director's position, which was not filled this season. We will be sure to get on it earlier next season.

Chelsey will get the team photo Thank-You's sent out to our confirmed sponsors, as well as make a post on our Facebook page acknowledging their support.

**Action Item:** *Chelsey will get the team photo Thank-You's sent out to our confirmed sponsors, as well as make a post on our Facebook page acknowledging their support.*

**4.6 2026-2027 PHL Schedule** – The town has provided the PHL tournament dates for the 2026/2027 season; Sept 25-27, Oct 9-11 & Dec 4-6. SMHA would like to ensure the U7/U9 divisions are able to keep their regular ice during the Dec 4-6<sup>th</sup> weekend, as we would like to avoid having to send all of those families to Big Valley again. There is also a concern that the October weekend might interfere with tiering for *RMFHL*.

**Action Item:** Reid will contact Brad Robbins and discuss keeping the U7/U9 ice during the PHL Tournament Dec 4-6, 2026. Will also discuss the October weekend, likely, being a tiering weekend for RMFHL

**4.7 Post Season Development** – Brett is looking into organizing some development sessions with Cross-Ice, Simon Thieleman, and MVMT Power skating. More information to come.

**Action Item:** Brett will reach out to Cross-Ice Development, Simon Thieleman, and MVMT Power Skating.

**4.8 Over-Aged Players** – Discussed over-aged players and what that could possibly look like for the upcoming season. We currently have several players still in Grade 11, that age-out at the end of the season – which raises the concerns of what is SMHA's policy on over-aged players. We will need to discuss this further and develop a policy prior to the AGM.

**4.9 Female Banquet Recap** – Another successful banquet, very well attended. Reviewed the budget (which was provided to the treasurer) and the awards, which were sponsored by The Brick. This is a great event and definitely something these girls look forward to.

**5.0 U18 Grad Banquet Male Division** – Discussed concerns brought to the executive board from parents of graduating players. Discussed what the requested funds will be used for (linens, awards, meal, The Hub), but have also received a bunch of sponsorship. A detailed budget needs to be provided to the treasurer. The banquet will move forward, but the teams will also host a small ceremony on-ice, at the last home game, for the graduates.

**5. HA & League Information** – Keep an eye on the HA & CAHL website for important information.

**6. Executive Reports:**

**6.1 President** – No Report

**6.2 VP Operations** – No Report

**6.3 VP Development** – Working on post season development opportunities. Still working on the coaches manual, but has finished the Game book prototype and will hand out to a select few coaches to test out and provide feedback. Managers manual is also in the works, gathering information and will work with a couple of board members to get this put together.

**6.4 VP Marketing & Communication** – Starting to think about end of season reviews, and what we would like these to look like, what information are we hoping to get out of them. After reviews are complete, it would be great to compile the information and then meet with coaches to review them. Discussed setting up one day / night to meet with all coaches, similar to an exit interview.

**6.5 Treasurer** – Report attached.

## **7. Division Report:**

**7.1 U7** – Discussed tournament. Last day for U7 will be February 28, 2026,

**7.2 U9** – Discussed tournament. In preparation for moving divisions next season, U9 second year players will be offered 4 full-ice sessions starting February 23, 2026.

**7.4 U13** – No Report

**7.5 U15** – No Report

**7.6 U18** – No Report

**7.7 Female** – Discussed the banquet, report above. Also discussed how the banquet promotes female hockey and this could be used to help apply for grants in the upcoming season(s). Would like to do another Try-It night to promote the female program, will table this to a later meeting.

## **8. Director Reports**

**8.1 Registrar:** No Report

**8.2 Equipment Director:** Grad jerseys arrived and will be given out at the banquet ceremony.

**8.3 Ref Allocator:** Gearing up for playoffs. Pretty proud of his group of Ref's and the job they have been doing on-ice. Would be interested in hearing feedback from coaches on how they feel SMHA Ref's compare to Ref's from other associations.

**8.4 Ice Allocator:** This weekend is the start of playoffs. There will be changes made to the practice schedules as teams are eliminated from playoffs, morning practices will be the first to see changes. Teams are permitted one week of practices post-elimination. **Fundraising / Sponsorship:** Due to the number of families still requiring volunteer hours, and the lack of opportunities to offer at this point in the season, the executive board approved one final Season Send Off 50/50 raffle to help with this. Sponsorship is being wrapped up.

**8.5 Tournament Liaison:** Nothing to report, just waiting on final ice bill from the U7/U9 tournament.

**9. Next Meeting:** March 12, 2026 @ 6:00pm

**10. Meeting Adjourned:** 8:20pm
