

# Mitchell RINGETTE

Although we recommend only 1 Parent/child, we understand if this is not always possible, and a sibling needs to tag along, especially if they are playing before/after in Mitchell.

ALL SPECTATORS must sign the screening sheet at the main lobby entrance. Our home team will have a volunteer watching. This is the way we keep track of all those in attendance. We are allowed ONLY 50 maximum in the ice viewing area( cold part) Lobby is off limits. Spectators must wear a mask upon entering.

Players can enter thru the East player doors, Parents may enter the hall in order to tie skates if needed, but must then exit out the same doors, and re-enter thru the main lobby doors, in order to sign the screening sheet.

Thank you in advance for your co-operation, we are all in this together.

Mitchell Ringette President
