

August 31st , 2020

The St.Marys Sniper Ringette 2020/2021 season is fast approaching. Last season the St.Marys Snipers had an amazing year. We had a total of 135 registrants. Eight teams played at the regional level and three teams played at the provincial level. We had a full Sniper tournament with 43 registered teams and 70 games. This tournament brought 606 players and their families to our town for the weekend. Some teams travelled from as far as Walden. These are amazing numbers for our small organization! We were able to offer coaches clinics, a referee clinic, power skating, and goalie clinics to our membership. Unfortunately, due to the COVID 19 pandemic, we had an abrupt stop to our 2019/2020 season. Our teams were not able to participate in Regional's or Provincial's. This was a major disappointment to all involved.

St.Marys Ringette Association has been working hard on plans to get our players back on the ice this Fall. The COVID 19 pandemic has posed additional cost to our association due to mandated team size caps, increased ice needs, increased ice cost, and sanitization. St.Marys Ringette Association is dedicated to keeping registration fees low so they are affordable to all. To help with the success of the 2020/2021 season we are reaching out to our community to see if you are interested in becoming a sponsor of St.Marys Ringette. We have included a list of our St.Marys Snipers sponsorship options. We understand Covid 19 has put financial stress on many businesses and understand sponsorship will not be feasible for some businesses. If you are able to help support us we want to thank you in advance. We are always looking for people to be involved with the St.Marys Ringette Association so please reach out to us if you would like to be more involved. If you have any questions or concerns please feel free to connect with me.
