

AMATEUR FOOTBALL HALFTIME

EDMONTON ESKIMOS vs. B.C. LIONS
Saturday, OCT 12th, 2019 – Kick Off: 5:00 P.M.
The Brick Field at Commonwealth Stadium

To All Amateur Football Teams,

The Edmonton Eskimos Football Club in coordination with CMFDA is pleased welcome your team to halftime presentation of minor football during the Edmonton Eskimos vs. B.C. Lions game.

- **Buses:** Teams coming to the game on buses may park along 112 Avenue, which is located directly north of the stadium. Please give yourself plenty of time to ensure a parking spot, as it fills up fast.
- **Parking:** Due to limited parking, the Eskimos are unable to accommodate vehicle parking within our parking lots.

Game Day

- Please make sure all team members are half dressed and ready to play at halftime. No dressing rooms are provided, and the rest of their equipment will be put on field level
 - I will have a promo team member at the bottom of the stairs of your section to collect any extra football equipment (not individual players bags). Once the halftime is over each player will need to bring their bags with them back to their seat.
 - Please make sure each team has footballs and pylons as we will not be able to supply these.
- All teams are to make their way to the bottom of their sections to the stairs at field level with **10 minutes left in the 2nd quarter**. All coaches must have a wristband on (we will provide this to you when you come down to field level) while each player has their jersey on which is their field level accreditation.
 - DUE TO LIMITED SPACE ON THE FIELD ONLY (2) COACHES PER TEAM ARE PERMITTED ON FIELD
- An Eskimos promo team member will meet your team and bring you onto field level.
 - 4 games will take place going width wise across the field simultaneously
 - Games will be 8 minutes in length
 - 3 offensive plays than switch to defense
 - Coaches will be the ones officiating the games
 - Since games are only 8 minutes, we ask that you start playing right away and limit any “huddles”

The Edmonton Eskimo Football Club looks forward to welcoming all teams to the Brick Field at Commonwealth Stadium.

Sincerely,
