

Stony Plain Football Association

Box 2331, Stony Plain, Alberta T7Z 1X8

May 5, 2019

To Whom it may concern:

The Stony Plain Football Association will be having its 2nd Annual Pre-Season Kick-Off Party and Silent Auction on June 14th at the Beer Hunter.

The Stony Plain Football Association is home to the Stony Plain Bombers Football Teams. It is offered to kids in our community from age 6 through to age 15. It is a nonprofit, volunteer run organization that has been in existence in the Town of Stony Plain for more than 20 years.

We are in the process of collecting merchandise for this event and we are asking businesses in our community to consider donating items towards the Silent Auction, we will also accept monetary donations to put towards the purchase of items to be placed in the Silent Auction. Your company will benefit from exposure, as Donors' names will be listed on a public Thank You Notice and the merchandise you donate that will be on display throughout the evening. As well, 100% of the proceeds of this auction will go to support the Stony Plain Football Association, keeping the youth in our community healthy and active.

Should you not wish to donate any merchandise for this event, but would like to make a monetary donation to this wonderful organization, that would also be greatly appreciated. All monies made at this event are used to help certify equipment and purchase new equipment to keep our youth in the safest environment possible. The monies assist in operating costs such as field rentals, training supplies, medical supplies, referees, etc.

If your business would be able or willing to donate an item or basket for our event, please contact Caitlin Stanton at (780) 695-4018 and we would be happy to arrange a convenient time to pick up your contribution.

Yours truly,

Stony Plain Football Association
