The SLA and CLA have a mandaite to do criminal record check, it is free and if they bill you please let the office know. The SLA with the new registration online system through Ramp for coaches provides the coaches a place to have their criminal record check done. Jay talked

Clothing store to raise funds we have all of it and can put up on the website Ramp has a store option but they needed to make some adjustments to make it work better.

Jay and Randy presented the budget for 2020 season and that we needed to continue with using the honorarium help each year we were concerned it was to much but with taking care of the rink and the new carpet there is lots more work. Also we have landed the contract for the rink canteen for Archibald and Kinsmen all year round now, we will continue to have the ladies work as long as they wish to.
