4. CDLA/ALA/ALRA Update

ALRA

- New LC Rule updates are in affect
- ARLA will be running a Coach Clinic this year
- Referee Course – entry level training is 5 hours total
- Coach Overview – could be made into a 1–2-hour boardroom or on floor overview?
- The idea to have Coaches have full certification is being discussed as it would help have coaches be able to step in and help support officiating if needed in emergencies (ie: no show, etc)
- Green Bands no update from ALRA so Branko motions to do it.

ALA

- Coaching Certifications
 - CDLA will be sending emails to update Coaches what courses/certifications they need to complete
 - Making Ethical Decisions
 - Now mandatory for everyone
 - Cost of \$85
 - Making Headway, Action Plan and Rule of Two are all mandatory
 - Comp Intro Course
 - Intro Session
 - On-Floor
 - Mental Health in Sport (online)
 - Safe Sport (online)
 - U11/U13/U15/U17
 - All levels will have changes; however, Robyn will be the one following up with Coaches to ensure they have the appropriate certifications and are in “good standing”
- Lots of LC meetings have happened, and many of the details and items have been tabled. Melinda and Wade have reviewed the information, however as LC has made these suggestions, the thought is that the quicker we adopt the changes, the more likely we avoid issues

- For instance: U7 & U9 Net sizing, Goalies, Run-Time, Overtime, Crease Dive & Crease/Lose Balls/Goalies - we can make it work
- There are discrepancies with some of the rules, ie: helmets/goalie helmets and clarification is being requested around rules (hinge, strap length, 4 point) These rules are going to cause frustration and confusion to EVERYONE
 - Having consistency amongst the officials is going to be imperative
 - This includes Calgary, Alberta and beyond...
- With many of the rule changes, it will also provide the Officials the ability to tier and have options for infractions ie: roughing, fighting, butt-ending, etc
 - CDLA will order the appropriate size of nets for U7 & U9
 - CDLA will attend the LC meetings and support the changes for U11-U17
 - March 1 is deadline for rule changes to be implemented
- Asked if we (Strathmore would want to run a U9 festival in June on a weekend as U9 doesn't have a lot of tournaments) we would need someone to head this and coordinate with Melinda.

EXEMPTIONS AND RELEASES

- Maci Martin approved to play 1 season of U15 as an over age
- Alexander Wolfe, Arabella Macdonald, Grant Macdonald, releases denied. Family has decided to take the year off for personal reasons.
