

## Outstanding Fee Policy

- A non-refundable \$50 registration fee must be paid within 24 hours of registration.
- At least 20% of the registration fee is due prior to or on the first day of evaluations.
- All registration fees must be paid prior to team placement. Outstanding balances may result in loss of play/floor time, at the discretion of the coaches and board.
- Should a payment arrangement/plan be required, contact with the Treasurer must be made up to/within 24 hours after registering. Terms of payment plans will be discussed and agreed upon between the registering party and the treasurer.
- All tournament or special event registration fees must be paid prior to the event taking place. Outstanding balances may result in loss of play/floor time or participation in the event.
- All outstanding balances must be paid prior to May 21st of the applicable season. Failure to meet this fee payment deadline will result in escalation to the president/vice president.
- Should a player end the season with outstanding balances, registration for future seasons/events may be impacted, and the member will be placed in bad standing.

\*\*\*All of the above are subject to payment plans and/or communication with the treasurer. **Please** reach out to the treasurer, at [treasurer@strathmorelacrosse.com](mailto:treasurer@strathmorelacrosse.com), if you have any concerns regarding fees.

\*\* Reminders will be emailed to all registrants with outstanding balances one week prior to the due date. The emails will include the payment due dates and total amount(s) due.
