Lukas Loftus Presentation:

We have a special presentation that will be made prior to the Strathmore's U17 Game on Saturday night in the Gold arena (approximately 6:00 PM). This is the Luke Loftus award, Luke was a former Strathmore Venom player who unfortunately lost his life a number of years ago and his family continues to provide support to this sport that we all love so much. The presentation will be made by Shawna Loftus, Lukes' mother, and will go to a Strathmore Venom U17 player who may not be the top scorer for the team but exemplifies dedication, heart and passion for the game. The Loftus family also provides an annual donation to the club to help with registration fees for families in our community.

Think Green:

We are also trying to minimize the amount of printing this year, although there is still a lot of paper involved, we figured that each team does not need a printed copy of the rules.

Please read and ensure you have a good understanding of these rules prior to the start of the tournament. As a best practice, share the link with your team manager(s) and coaching staff.

Should you have any questions or concerns prior to the Tournament, please contact the Tournament Director, Andrea Blackley, at tournament@strathmorelacrosse.com or 403-325-0374. During the Tournament, any related questions or concerns should be directed to Registration staff or find one of our volunteers in our BLACK Volunteer T-shirts.

Our tournament draws to a close on Sunday with game finals throughout the day. Raffle Prize pickup is between 8:00 AM and 12:00 PM on Sunday.

In the event of an emergency, please dial 9-1-1 and alert arena and tournament staff. The Strathmore Hospital is located at 200, Brent Boulevard, Strathmore, Alberta. Should you require assistance, please go to the tournament office on the 2nd floor Blue Meeting room
