Message from your President

What an incredible 2023-2024 season. At the AGM held in May our St. Thomas Ringette Association became incorporated. With this incorporation comes change. We are excited to move forward in a new era of Ringette in St. Thomas. At the beginning of the new season we will highlight all of the new changes to the policies and rules.

As your new association president I want to start off by thanking all of our incredible volunteers from last season. Without all of your support our teams wouldn't be able to have had such a successful year. I look forward to starting the new season knowing we have amazing support from our families to help support the players.

A few new things to look forward to in our coming season, monthly volunteer recognition awards, team representative on committees, new equipment, and a new redesigned dry land program.

There will also be some changes to LORL (Lower Ontario Ringette League). We are required to now do preseason evaluations. These help to ensure players are placed in the correct level of play as well as help coaches to plan their practices and development. We will post updates and details on our website & FB page in the summer with details on dates, times and locations. Stay tuned!

As more things start to change, with the implementation of LORAL, we will keep you updated, as we find out. Looking forward to a great season ahead.

Deana Buller
