MESSAGE FROM YOUR PRESIDENT

Hello Thunder Families,

It is hard to believe that the summer break is almost over and we are starting to get back on the ice. We have a few new families joining us this year and we are excited to have them join the Thunder Family.

For the month of August there are going to be a few things taking place prior to our team selection meeting.

All players will go on ice for an on ice assessment for the level of play they are signed up for based on their birthdate. We do know that we do have some players who will be playing at a different level than their registered age. These assessments will help the coaches to place players appropriate to their playing level when we have our team selection meeting. If you have any questions what time slot you are to come to, please reach out to our Player Development Directors @ straringettepd@gmail.com
