# Ramp Guide for Parents

Team App Set Up

1. The parent email that is tied to the player's Ramp registration will receive a welcome email for your Team. If you don't receive the email, you can ask the team manager to manually add your email to the app.
2. Download the Ramp app for iPhone or Android.

3. Open the App

4. Create an account with your email.

a. ***Please note***: *your registration account does not carry over. You will be required to create an account for the Ramp app with your email.*

5. An email will be sent to your email address with a verification code. Enter verification code provided by the Team app and click the button labelled "Verify & Login".
6. You will see the teams you have been added to. *If you do not have any teams, you will need to contact your team manager*.

RSVP to team practices

1. On the main page of schedules, click the RSVP button.
2. Select Yes, No or Maybe for the practice. The response will automatically save.
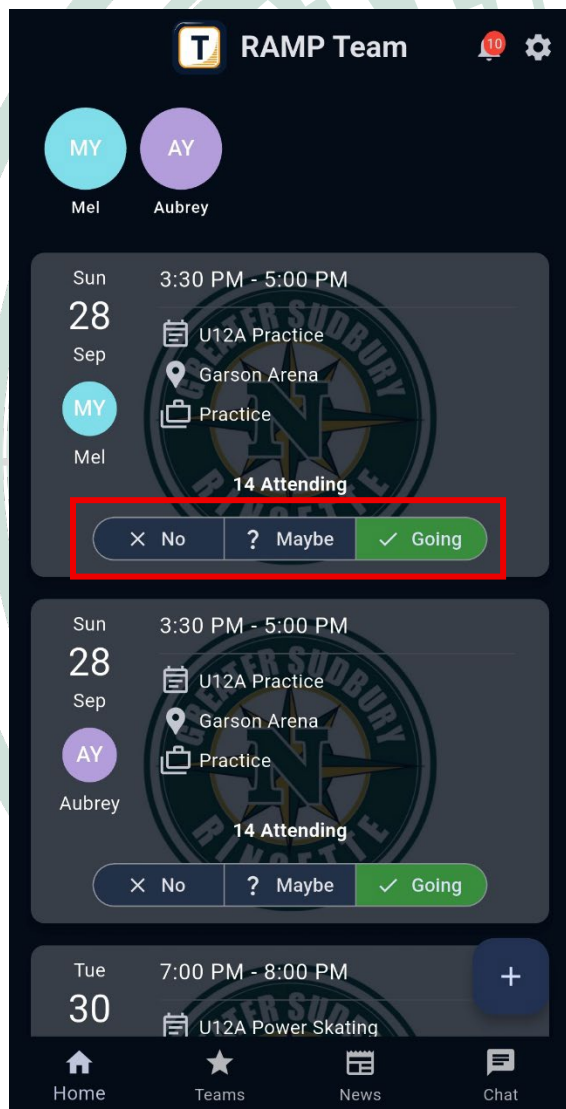

3. To change the response, click on the response you want to change it to. The system will automatically save your new selection.

*** If you have multiple players on different teams, their schedules will show up in one list. Notice on the screenshot above that there is a team schedule for MY and for AY.

Team Chat

1. There is a chat function in the Ramp Team app.
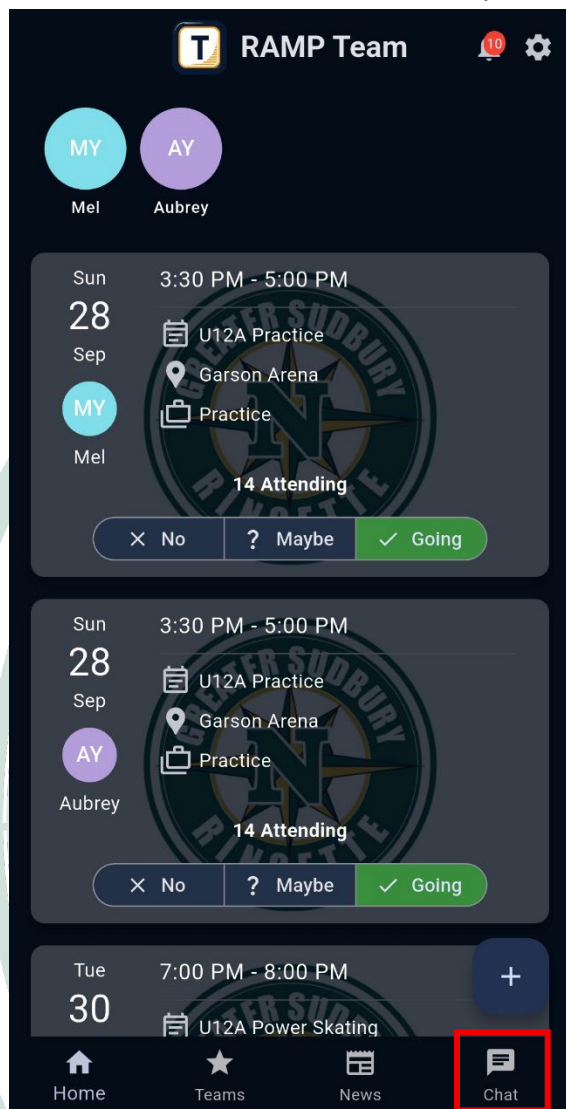

2. You can send messages to the entire team. This is a great way to arrange rides and coordinate communication!
