Preventing Bullying, Harassment & Abuse Policy

Adapted from the Ringette Canada Policy on Preventing Bullying, Harassment and Abuse and the Ringette Ontario Harassment and bullying policy.

The purpose of this policy is to ensure a safe and positive environment within GSRA and Ringette Ontario programs, activities and events, by making all individuals aware that there is an expectation of appropriate behaviour, consistent with the values of Ringette Ontario, at all times. Ringette Ontario and the GSRA are committed to providing an environment in which all individuals are treated with respect. Furthermore, we support equal opportunity and prohibit discriminatory practices.

Everyone has a duty to report infractions. In order to report an infraction, any GSRA member can do so by following the complaint process. [\(Refer to the Discipline, Complaint and Appeal Policy\)](#)

Any form of abuse and neglect, whether physical, emotional or sexual of any participant in any of GSRA's programs, will not be tolerated.

The GSRA expects every parent, volunteer and staff member to take all reasonable steps to safeguard the welfare of its participants and protect them from any form of maltreatment.

It is the policy of the GSRA that harassment and bullying in all its forms will not be tolerated during any Greater Sudbury Ringette Association activity or program.

Accordingly, all the GSRA personnel (staff, volunteers, team or on-ice officials) and partners (parents, guardians) are responsible for making every reasonable effort to uphold this commitment. Specifically, this includes refraining from harassing or bullying behavior, responding promptly and informally to minor incidents of harassment or bullying and following Local, Branch or National policy guidelines for reporting or responding to more serious complaints of harassment or bullying.

Players and other participants are expected to refrain from harassing or bullying behavior and are encouraged to report incidents of harassment or bullying.

Conduct that violates this Code of Conduct and Ethics may be subject to sanctions pursuant to Ringette Ontario's policies related to discipline and complaints.

Please Refer to Ringette Ontario's Harassment and Bullying policy for further details and information on this important topic.

This policy can be found on the website: Ringetteontario.com

Discipline, Complaint and Appeals Policy

Objective: Membership and participation in the activities of Ringette Ontario offer many benefits and privileges. At the same time members and participants are expected to fulfill certain responsibilities and obligations, including complying with the GSRA and Ringette Ontario's Code of Conduct as well as with the GSRA and Ringette Ontario's other policies and procedures.

Misconduct and Match Penalties □

Refer to Games and Tournaments Manual (Ringetteontario.com)

2. Reporting a Complaint/Investigation Process

- If it is a minor complaint/concern, the GSRA encourages their membership to first reach out to their division representative. If both the division representative and/or the complainant feel the issue should be escalated, the complaint should then be escalated to the President.
- If the complaint involves the President, the complaint shall be escalated to the Vice President.
- Complaints must be signed and in writing, and must be filed within fourteen (14) days of the alleged incident using the GSRA [Incident/Complaint Form](#).
- Upon receiving a complaint, the President, or delegate, will determine whether the complaint is frivolous or vexatious within ten (10) days of receiving it. If the President, or designate, determines the complaint is frivolous or vexatious, the complaint shall be dismissed immediately. (RO)
- A complainant wishing to file a complaint beyond the fourteen (14) days must provide a written statement giving reasons for an exemption to this limitation. The decision to accept, or deny, the notice of complaint outside the fourteen (14) day period will be at the GSRA Board's discretion. This decision may not be appealed. (RO)

Initial Investigation:

- The President, or designate, may appoint an independent individual to conduct an investigation to determine the validity of a complaint. The Investigator will carry out the investigation (both sides of story) in a timely manner and at the conclusion of the investigation will submit a written report to the president, or designate, concluding whether or not there is validity related to the complaint and if referral to the disciplinary committee is required.

Discipline Panel:

- Within fourteen (14) days of notifying the respondent of a complaint of a major infraction or of receiving the written report of the Investigator if an investigation was carried out, the President, or designate, will appoint three (3) individuals to serve as a Discipline Panel ("Panel").
 - The members of the Panel will select from themselves a Chairperson. Members of the Panel will have no significant relationship with the complainant and respondent; will have had no involvement with the alleged infraction; and will be free from any other bias or conflict of interest.
 - The Discipline Committee shall investigate the complaint by taking any steps that it considers necessary including summoning before it the Executive Member, member, volunteer, or athlete whose conduct is the subject of the complaint and any witnesses that were present.
 - On completion of its investigation, the Discipline Committee shall make a written report to the President recommending that:
 - Action be taken against the Executive Member, member, volunteer, or athlete complained against; or
 - No further action be taken with respect to the matter under investigation
 - The GSRA president shall notify the complainant and the individual complained against, of the above result. The notice shall be accompanied by the action that the Committee considers necessary to be taken.
-
- Once the final decision has been made by the disciplinary panel, both the complainant and/or individual complained against may request that the complaint be first referred to the Northeast Region Ringette Association and subsequently to the Ringette Ontario Association for further review. That request is to be made within thirty days of the date on which both the complainant and individual complained against are notified of the Discipline Committee's conclusion.

Sanctions:

The Panel may apply the following disciplinary sanctions singly or in combination, for minor and/or major infractions:

- Written reprimand;
- Written apology;
- Removal of certain privileges of membership
- Suspension from certain events;
- Suspension from certain Ringette Ontario activities;
- Payment of a financial fine in an amount to be determined by the Panel;
- Suspension from all Ringette Ontario activities for a designated period of time;
- Expulsion from membership;
- Other sanctions as may be considered appropriate for the offense.

Unless the Panel decides otherwise, any disciplinary sanction will commence immediately. Failure to comply with a sanction as determined by the Panel will result in automatic suspension of membership in the GSRA and Ringette Ontario until such time as compliance occurs.

The GSRA will maintain a written record of the incident, investigation and decisions made for two consecutive seasons.

3. Appeal Procedure:

The decision of the Panel may be appealed, with the exception of match penalties.

Individuals who wish to appeal a decision have 7 days from the date on which they received notice of the decision. They are asked to complete the [GSRA Appeal Form](#) and submit the completed form to GSRA President.

Appeal Decision:

The appeal shall be heard at the next Executive Meeting, unless compelling reasons can be shown for it to be heard sooner. Should the appeal be heard sooner, the members of the discipline panel and 2 additional executive members will meet and make a final decision.

The final decision will be communicated to the appellant following the above meeting.

Dressing Room Policy

Objective:

GSRA firmly believes in accommodating everyone in our great game. We further believe in balancing this goal with the safety, privacy, modesty and wishes of all our members without compromising the aspects of camaraderie, social integration and bonding inherent in a team sport. The safety of our members is paramount. This policy provides details regarding the supervision and safety of our minor players, while in our change rooms and during off ice events.

This policy applies to:

- a) All change room use arising from Ringette Ontario and GSRA sanctioned events;
 - b) Off-ice events that are part of any GSRA activities or events, including tryouts.
- Ringette Ontario has implemented the ***RULE OF TWO** to ensure all interactions and communications are open, observable, and justifiable. Its purpose is to protect participants (especially minors) and coaches in potentially vulnerable situations by ensuring more than one adult are present. There may be exceptions in emergency situations.

- GSRA stresses the importance of coaches in ensuring all players have equal access to pre and post team sessions and to all team related activities.
- GSRA recognizes the physical limitations of some facilities and encourages our members to work with local facility management to ensure that appropriate changing facilities are available to everyone.

At FUN 1, 2 and 3 (also known as U10) the following conditions will apply in all team environments:

- GSRA allows co-ed dressing room situations to exist at the FUN 1, 2 & 3 level (U6/U8/U10) with the understanding that the players will arrive either in full equipment or wear at a minimum a base layer (long underwear and shirt) at all times.
- Parents entering the dressing room should ensure there is always a second adult (parent/coach) present to accompany them.

At U12 level and above the following conditions will apply in all team environments:

- For Divisions U12 and above, no male coaches or parents are permitted in female dressing rooms while players are dressing or undressing, and no male players are permitted in the female dressing rooms. Male coaches and players may enter the dressing room for pre-game or post-game routines after being given the all clear by the female coach, team manager or screened volunteer, all of which have to be female. The same rules apply to male dressing rooms where only male coaches/parents are permitted in male dressing rooms.
- If the team has parents that provide supervision in the dressing rooms on a regular or semi-regular basis these parents must complete and submit a Police Record Check.
- Females and males will change in separate rooms. If an individual requests a private room or accommodation, the GSRA will work with the coaching staff and arena officials to help accommodate the request.

- Everyone shall congregate in one dressing room fully prepared to participate in the game/practice not more than 15 minutes prior to the scheduled ice time unless otherwise indicated (to be there earlier) by the coaching staff.
- The smaller group shall depart the dressing room not more than 15 minutes after the game/practice unless otherwise indicated (to stay longer) by the coaching staff.
- The larger group shall not begin changing, helmets, gloves and skates excepted, prior to the departure of the smaller group.
- When necessary, due to facility limitations, dressing and showering shall be done in shifts with the larger group dressing and showering first. Once the room with shower facilities has been fully vacated the smaller group may use the shower facilities.

*It is the responsibility of the Head Coach and Team Manager to ensure that these guidelines are followed.

***RULE OF TWO (Ringette Ontario 2020)**

Any one-on-one interaction between a coach and an athlete, both on and off of the field of play, must take place within earshot and view of the second coach, with the exception of medical emergencies. One of the coaches must also be of the same gender as the athlete

Bench Policy

A First aid kit must be located on the bench and accessible to the bench staff, during practices and games.

All bench staff must have an up to date criminal record check completed in order to be on the bench.

A female must always be present on the bench.

If a team's trainer is not a female, the female bench staff must accompany the trainer while assessing the player.

All bench staff stepping onto the ice to tend to an injured player must wear a CSA approved helmet at all times.

GSRA has a strict "NO TOUCH" policy.

Cell Phones, Cameras and Personal Digital Assistant (PDAs) Policy

Cell phones and personal digital devices possess cameras that allow users the opportunity to secretly photograph objects in front of them while appearing to dial a number or text. This is a significant concern to the GSRA.

The potential exists for inappropriate behavior of camera phone users photographing others undressing and showering in the dressing rooms. The City of Greater Sudbury has a policy in place prohibiting the use of cellular telephones in the dressing rooms of recreational facilities.

The GSRA will not tolerate the potential danger of violating an individual's privacy; and therefore, the following policy in support of the City's policy will take effect immediately:

"The use of any form of camera, video camera, camera phone, or any personal digital accessory capable of photographs is prohibited in any recreational facility change rooms during any GSRA sanctioned event."

Equipment Policy

Jerseys:

Team jerseys are distributed at the beginning of each season, to an identified member of the bench staff.

Teams and/or players are not permitted to alter numbers or attach nameplates unless approved by the GSRA.

A post-dated cheque is required at the beginning of the season and will be returned at the end of the season upon return of the jerseys in good condition.

Team Apparel:

Teams in the Competitive division (also known as A), are required to have team apparel consisting of a minimum of hoodies and jackets bearing the GSRA logo. Teams are responsible for organizing the purchase of the apparel from a GSRA approved merchant.

Teams in the B/C division (also known as House league), may purchase GSRA apparel through the GSRA approved vendor. However, team apparel is not required.

First Aid Kits:

First aid kits are distributed to each team prior to the season. If items are used during the season and need replacing, please contact the equipment manager.

Rings:

Rings are distributed to each team prior to the season. If a team requires additional rings during the season, please contact the GSRA Equipment Manager.

Goaltender Equipment:

To ensure the safety of goaltenders, GSRA provides used goalie sticks, goalie pads and chest protectors, to all levels. Should a player decide that goal tending is their preferred position, GSRA encourages parents/players to purchase their own equipment, as our equipment is limited.

Equipment Return:

All jerseys, rings, first aid kits and goaltender equipment must be returned to the equipment manager at season's end or no later than the AGM.

Game Sheets:

Game sheets are distributed at the beginning of each season. If a team requires additional game sheets during the season, please contact the GSRA Equipment Manager.

As of 2022/23, RO will be transitioning to electronic game sheets. GSRA will provide tablets for team use to each manager. The team manager is responsible for ensuring the appropriate handling of the tablet and ensuring its return to the GSRA Equipment manager at the end of the season.

Player Helmets:

All players must wear CSA approved helmets. Helmets must be sized at the time of purchase and fit properly.

The chinstrap must always be fastened. If a coach or referee identifies a poorly fitted helmet, the player will be asked to step off the ice until the issue is rectified.

Refer to Ringette Canada's Website for details. (Ringette.ca).

Facial protector (i.e. face mask)

All players must wear CSA approved Type 5 or Type 6 facial masks. There are specific combinations of CSA certified helmets and facial protectors that are permissible in Ringette. All players must ensure they have the correct combination. See Ringette Canada's Website for details. (Ringette.ca)

Team Formation Policy B/C (aka House league) level

Objective:

At the B/C level, when a division consists of enough players to create two or more teams, a team formation process must be followed. The following team formation process aims to create a well-balanced league and is in the best interest of players, coaches, officials, parents and the Greater Sudbury Ringette Association (GSRA). Players will be evaluated by GSRA and will be entered into a “controlled draft”.

Procedure:

1. GSRA will choose 4 non-biased evaluators to avoid any conflict of interest. The evaluators will work in teams of 2 during the evaluations (Eg. [Skills evaluation sheet in Appendix \)](#)
2. The Player Development Coordinator will help layout a specific drill plan, in accordance with the age level being evaluated. The coaches will be asked to follow this plan during the evaluations.
3. Players will be ranked on a 1-4 scale (beginner, intermediate, advanced, elite)
4. Following evaluations, the coaches, Coaching Director and/or Player Development Coordinator (PDC), President and/or Vice President will meet to review and discuss the draft process.
5. Prior to starting the draft, the Coaching Director (or PDC) and the head coaches must conduct a general review of the ratings to ensure that all players were properly rated. If an improper rating is identified, the Coaching Director (or PDC) and the head coaches should discuss the rating and attempt to agree to a rating that is as accurate as possible. If agreement cannot be reached, then the Coaching Director (of PDC) must establish a reasonable rating based on the available information.
6. Coaches will draft teams under the supervision of the Coaching Director (or PDC) and the GSRA President and/or Vice President.
7. All players will be divided on separate sheets into their assigned category based on their rank (1-4). The draft will be started by a coin flip. The winner will get to make the first player selection. Subsequently, the first choice will be rotated among the coaches for each category.
8. Prior to starting the draft, the head coaches are entitled to select their child (or children) to the team. The head coach must then miss a round(s) in the draft during which players of similar skill are being selected.
9. Prior to starting the draft, each head coach may name one assistant coach and is then entitled to select the child (or children) of the assistant coach to the team. The head coach must then miss a round(s) in the draft during which players of similar skill are being selected.
10. The draft will always begin with the highest ranked players being drafted first then working down the rankings to the lowest ranked players.
11. Goalies (if applicable) can be selected at any point during the draft. However, the remainder of the goalies must be drafted immediately after the first goalie has been selected.

Trading players post draft:

- The Coaching director (or PDC) at his/her discretion has the authority to permit players to be traded from one team to another. The players being traded should be made between players

from the same ranking. Exceptions may be permitted as long as the trade maintains the competitive balance of the teams.

- Trades will be permitted for a maximum of one week after the draft. The trade deadline will be set at the draft meeting; no later than October 31st of the current season.
- A trade request must be submitted via email to the coaching director and both coaches must be cc'd.
- Once approved by the Coaching Director and/or PDC, prior to the movement of any player, the Coaching Director and or PDC must contact the relevant coaches and parents of the players to communicate the need for this action.

Player call ups/Substitutions for House league games:

- Should a team be short players for a house league game, they may fill their bench to a maximum of 10 players and 1 goalie.
- Efforts should be taken to replace players with other similar caliber players wherever possible.
- Player substitutions must be from the same division and tier or called up from a lower division.
- Examples of **unacceptable** "call ups":
 - An underage player playing at U14 house league cannot be called "down" to play at U12 house league.
 - A U12A player cannot be requested to play on a U12 house league team
- Examples of **acceptable** "call ups":
 - A U12 house league player from GSRA team 1 can be requested to play on GSRA team 2
 - A senior U10 player can be called up to play on a U12 house league team

Team Formation Policy Competitive (A/AA) level

Objective:

The GSRA A/AA level program offers an opportunity for talented players to develop their ringette skills at a competitive level. It introduces players to a faster pace of game play and challenges them to learn more complex game strategies. Teams will have the opportunity to test their skills against other competitive level teams through exhibition games played within the Northeast Region and tournaments throughout the season.

1. At the competitive level, players must tryout for a position on the team. GSRA hosts teams at the U12 division and above where there is enough interest to support a team.
2. The U12A team tryouts take place in the fall. While the U14 and above tryouts take place in the spring.

3. All interested players must pre-register for the tryouts and pay the tryout fee in order to attend. Some exceptions may be considered depending on individual and team circumstances.
4. Players must be registered with GSRA or their home association to be eligible to tryout. Players registered with an association other than GSRA will require a release from their home association to be eligible for a position on the team.
5. The cost of all tryout ice will be covered by all tryout fees collected. Any shortfalls will be GSRA responsibility. Any excess tryout fees will be collected and divided between all teams that have been declared or may be held in an account for the following year tryout ice.
6. Players must tryout in their age-appropriate division. However, they may also tryout in a higher division if there is a risk that no team will run at their age group. This must be mutually agreed upon by all parties involved and proven that all venues have been exhausted to form viable teams. Such a player would have to tryout in both age groups in order to qualify and must request permission to do so from GSRA prior to the tryout.
7. It is recommended that coaches choose a skilled full bench (2 goalies, 9 forwards and 6 defence); however, coaches may choose to shorten the bench to maintain the calibre of the team.

Procedure:

1. GSRA will choose 4 non-biased evaluators to avoid any conflict of interest. The evaluators will work in teams of 2 during the evaluations. (Eg. [Skills evaluation sheet in Appendix](#))
2. The PDC will help layout a specific drill plan, in accordance with the age level being evaluated. The coaches will be asked to follow this plan during the evaluations.
3. Players will be ranked on a 1-4 scale (beginner, intermediate, advanced, Elite)
4. Following evaluations, the coaches, coaching director and/or PDC, President and/or Vice President will meet to review and discuss the draft process.
5. Prior to starting the draft, the Coaching Director (or PDC) and the head coaches must conduct a general review of the ratings to ensure that all players were properly rated. If an improper rating is identified, the Coaching Director (of PDC) and the head coaches should discuss the rating and attempt to agree to a rating that is as accurate as possible. If agreement cannot be reached, then the Coaching Director (or PDC) must establish a reasonable rating based on the available information.
6. The Head Coach will draft the team under the supervision of the Coaching Director (or PDC) and the GSRA President and/or Vice President.
7. The draft will always begin with the highest ranked players being drafted first then working down the rankings to the lowest ranked players. Consideration during the draft will be made for ensuring the team has a full complement of players for each position.
8. At competitive levels for U19, U16, U14 and U12, the head coach may select the final two players from amongst those remaining players already not selected on the team by the evaluators.

Parent Coaches- If the coach selected has a child on the team

Greater Sudbury seeks applications for the head coach position for each team. Non-parent coaches may be confirmed immediately if they are the successful applicant. Parent coaches are accepted as the provisional head coach until their child is selected for the team by the independent assessors. Provisional head coaches (or assistant coaches designated by the provisional head coach and cleared by the Coaching Director) may be asked to run the assessment drills. The assessment will follow the Greater Sudbury tryout plan that has been approved by the Board. Assessors can ask for changes to the on-ice activity as needed through the A program coordinator. Before the first tryout, the A program coordinator will meet with the provisional head coach to discuss team composition by position. For instance a provisional head coach may indicate a desire for a team that is a 7-5 team (i.e. 7 forwards and 5 defence) or may have a target size in mind, e.g. 11 skaters.

At U12A-U19 A/AA the provisional head coach may indicate the desired team composition. provisional Head coaches may not participate in assessment meetings.

Once the provisional head coach's child is selected to the team they are then confirmed as the head coach and once confirmed may participate in the remaining tryout assessments and meetings for Tryout 2 and Tryout 3.

The head coach should take his or her own notes using the assessment criteria and has one vote as does each assessor.

Player Movement Policy

Player movement decisions are based on the best interests of both the player and the GSRA. Talent/ability, maturity, size (safety), number of registered players and enhancement of the sport will all be taken into consideration.

Recommendation Guidelines

When Player Movement arises at the beginning of a season, the GSRA President will appoint a three-member panel.

Request for Movement Format

- A request for player movement must be submitted to the President of the GSRA, from the player's parent/guardian. This letter must include the child's playing history accompanied by the argument for movement.
- The request must be submitted within 7 days of the start of the season.
- If required, players will attend a minimum of 1 practice before team rosters are decided. They can participate in a maximum of 3 practices if the player assessment committee agrees the additional ice is required. During these practices the appointed panel will evaluate the player.

- The Player Assessment Committee will consider the evaluation and all pertinent information gathered. The decision of this board will be forwarded to the executive where a final decision will be made.
- Players should not move up unless they are ranked within the top 30% of the players of the team they are moving up to.

The Greater Sudbury Ringette Association Executive will make all final decisions.

Previous Player Movement UP:

Children who have previously been approved for movement UP and have completed two years in that division may proceed to the next division—HOWEVER MAY BE REQUIRED to repeat the Request for Movement format. Players wanting to remain in their division for a third year after being voted up in a previous year may remain with their age level and are not required to complete the Request for Movement format.

Previous Player Movement DOWN:

Children who have previously been approved of movement DOWN must reapply each movement year. This request is generally honored to help first time players into the sport.
