### **Purpose:**

This policy establishes the approach and process for the Sunderland Ringette Association (SRA) to select Head Coaches for both Regional and Provincial Teams as well as considerations for bench staff selections.

Coach selection can be a difficult task. This document aims to provide an objective process to assist in selecting the best candidate for each head coaching role. It shall outline the skills, values and principles that the SRA is looking for in a Head Coach and other support volunteers.

SRA will adhere to Ringette Ontario's *Team Staff Qualification Policy* when determining the structure, duties, qualifications and certifications of all bench staff positions.

### **Policy Statement:**

1. The SRA will select Head Coaches and bench staff in accordance with this Policy and the policies set forth by Ringette Ontario (RO).
2. The SRA will target to find the best candidate to maximize the development potential for every athlete on a given team equally.
3. This procedure will provide a fair and transparent selection process, where each candidate can be confident that they are being selected based on their individual merits.
4. SRA is aligned with Ringette Ontario's Diversity, Equity and Inclusion principals and is committed to providing equal opportunities and non-discriminatory practices.
5. This procedure shall apply each year. Successful coaches are not guaranteed to be selected for subsequent years regardless of the seasons results.

6. The President will be responsible for scheduling all interviews with the candidates and there must be minimum 3 committee members present for an applicant's interview.
7. The selection committee may decline to interview an applicant if they determine that the applicant has not provided sufficient information or does not have enough experience to coach the level for which they have applied. The President will inform the applicant that they have not been selected for an interview.
8. If there are schedule conflicts, or conflicts of interest, a committee member may decline to participate in the selection process. A minimum of 3 members must be present for an interview and committee members must be consistent for each applicant within a team. Applicants will not be permitted to view any committee notes but may request the committee to provide feedback as to why they were not selected. Applicants may request feedback up to two weeks after the head coach is publicly announced.
11. After all interviews are conducted for a specific team, the Selection Committee will nominate the best candidate.
12. Once all Head Coaches within a category have been nominated, the President will confirm the proposed selections to the SRA Board for final approval.
13. Once final approval is given, the President will first contact the successful applicant and receive acknowledgement of acceptance of the coaching position. The President will then contact all unsuccessful candidates to notify them of the decision.
14. Once all candidates have been contacted, the head coaches will be posted on the SRA Website and social media feeds.
