**REFUNDABLE FUNDRAISING LEVY: (PER FAMILY) (NEW)**

Each Family Must Purchase as part of their Registration, the Refundable Fundraising Levy: \$200 Per Family  
 If a Family provides to the Club, self fundraising cash or realizable value in excess of the \$200, this will be refunded to the Family or credited to their Racer Account.

- NOTES: (1) If you provide/solicit Cash Corporate Sponsorship to the Club in excess of the incremental values required per your Package Points allocation, this will count for the Levy. Any such Sponsorship is allocated firstly to your Points allocated commitment.  
 (2) Silent Auction Items delivered must have a combined retail value of at least \$350 to clear the \$200 "Realizable Value" threshold.  
 (3) Otherwise, the intention is for Members to conduct their own Fundraising initiatives outside of the Club, no promotion of the activities will be provided by the Club or through Club channels. i.e. Bottles Drives, etc.  
 (4) We acknowledge some families will simply pay the levy and not seek refund, this is perfectly acceptable.  
 (5) Prorated refund will not be made, cash or realizable value must exceed the \$200 to receive any refund.
