Sunridge Ski Club Refund Policy

Sunridge Ski Club has adopted the policy whereas athlete monies (program fees) are spent first. Should an athlete be injured mid-season but the athlete is able to return to training within the season they would still be considered to be part of the team and as such the staff would assist the athlete in finding treatment for the injury as well as assisting the athlete with their recovery and no refunds or credits would be applicable. For any season ending injury a doctor's note will be required for any refunds.

For season-ending injuries prior to:

- Nov 1 – 75% refund.
- Jan 1 – 50% refund.
- Feb 1 – 25% refund.
- After Feb 1 – no refund.

For withdrawal from program prior to:

- Nov 1 – 50% refund.
- Dec 1 – 25% refund.
- After Dec 1 – no refund.

Families would remain responsible for all racer account related charges up until the date they notified the Program Coordinator of their athlete's withdrawal from the program.
