5. Old Business:

Brad & Larry met with the City Department of Recreation to again to discuss the moving of goal nets as there is still a lot of confusion surrounding this. After much discussion the City workers will be responsible for net moving during Minor Hockey games, there will be added costs for this if they have to bring on additional workers. Minor Hockey is concerned as we have explained to the City that volunteers may not have Insurance if someone gets injured on the ice moving nets. They are aware of this and as a result will do their best to bring on additional staff during games. This does not include any practices or other times. Team staff will be responsible moving nets during practices as they are fully Insured. The month of December will be a trial run to see how this plays out and another meeting will be scheduled in January 2026.

As the WHL Broncos are requesting to move Saturday game time from 7:00p.m. to 6:00p.m. The City is requesting a letter from Minor Hockey as to how this will impact on our ice allocation on Saturdays during the season. Nola Smith was tasked with replying to the City.

Director of Hockey Operations was tasked to look into Insurance policies regarding coverage for Volunteers etc from Hockey Canada. Report to be sent to the President/VP.

All Provincial Teams/Carded Teams have been registered with Hockey Sask. Team Cert forms to be completed and submitted when requested to do so by Hockey Sask.

Anne Ailsby -Vice President Report

-Net moving. Brad will meet with the city December 1 and can provide updates from that. We need to explore options for adding volunteers to our rosters. We will require extra helpers, regardless, for the half ice boards.

-I fielded a few calls about U9 team gear. Using other logos with "Swift Current". Our rules are not clearly defined, but there are some real deviations that I haven't seen before.

Updates:

-U7, U9, and U13 house bank accounts have been moved to our umbrella.
Working on U15 with the Credit Union

-Meeting Jenna Parenteau December 2 to begin the structure clean up and organization.

Respectfully submitted,

Anne Ailsby
